ECONOMY – Labor & Employment

First Coast Forum

Host: Abby Murphy

Airdate: 09/12/2021

Airtime: 6:30 AM

Topics: Career Source Northeast Florida/Jax Employment Opportunity

Guests: Rebecca Livingston

Duration: 20:00

Rebecca Livingston and I talked about employment in Northeast Florida. She spoke to me about how Career Source benefits both employers and potential employees. Career Source connects people looking for jobs and connects employers with the right candidates. The non-profit also provides workshops and career training for employees who want to build their skillset. We also discussed the pandemic's impact on employment in Northeast Florida. She told me Florida fared well compared to other states who had stricter lockdown rules during the coronavirus outbreak, but there was still a rise in unemployment.

GOVERNMENT – Local & Federal

Jax Journal

Host: Steven Ponson

Airdate: 9/5/2021

Airtime: 6 AM

Topics: Afghanistan withdrawal

Guests: Congressman John Rutherford

Duration: 26:21

Summary: In this episode, I talked with Congressman John Rutherford on the Afghanistan troop withdrawal. He says that what happened in Afghanistan has been a security and humanitarian disaster. He says he's been in contact with people about who's still left behind in Afghanistan. He says its important that the US does good vetting of the Afghan refugees that are coming to American just to make sure no bad actors are coming into this country. He also says he's concerned with the weapons and equipment left behind in Afghanistan and that stuff falling into the wrong people's hands. We also talked about the infrastructure bill that is going to be before the House before the end of September, Congressman Rutherford said that he is against it and that he's for infrastructure but not for other spending on social and environmental programs.

Jax Journal

Host: Steven Ponson

Airdate: 9/12/2021

Airtime: 6 AM

Topics: Remembering 9/11

Guests: Former NE Florida Congressman Ander Crenshaw, Current NE FL Congressman John Rutherford, and Senator Rick Scott.

Duration: 22:53

Summary: In this episode, Rich Jones talked with former Congressman Ander Crenshaw about what he remembered from 9/11 He says he was at a breakfast meeting when someone called him about the terror attacks. Like many other's he though initially it was just an accident, and then he realized it wasn't an accident. He says he was with his wife and getting information about the attacks. Crenshaw says 9/11 impacted Northeast Florida in a negative way initially since people we're not traveling. But the attacks did do a lot to bring more military resources to the area. Congressman John Rutherford says he remembers where he was on 9/11 as well. He says he was in Columbus and just wanted to talk to his wife after the attacks happened. He says in the years since when he was sheriff, he always would tell his officers that he didn't want to be the best first responder, but he wanted to make sure that a potential terror attack never happened in the first place. Senator Rick Scott says he just really respects and admires the first responders from that day.

Jax Journal

Host: Steven Ponson

Airdate: 9/26/2021

Airtime: 6 AM

Topics: FDOT update on construction

Guests: Hampton Ray with FDOT

Duration: 26:26

Summary: In this episode, I talked with Hampton Ray with FDOT and he told me that plans to have toll lanes on I-95 from JTB to Atlantic Blvd and again from the Beltway down to International Golf Parkway have been scrapped and instead those lanes will just be general use lanes, or non-tolled lanes. He says the toll lanes that are under construction on the East Beltway should open sometime in November. He also says the tolling equipment in place before you get to JTB is flashing, but not taking any data as you drive underneath it. He also talked about some of the safety measures that are taken to make sure people stay safe for drivers and for workers. He says crews had, basically, a semi that was being used as a wall to block drivers from workers during recent emergency construction on the Buckman Bridge. He also encouraged people not to text and drive.

HEALTH - Major Health Issues & Nutrition/Wellness

Jax Journal

Host: Steven Ponson

Airdate: 8/01/2021

Airtime: 6 AM

Topics: COVID-19 pandemic/ Back to school sales tax holiday

Guests: Dr. David Caro with UF Health Jacksonville, Jill Thomas-Aviles with Jax Federal Credit Union

Duration: 15:22

Summary: In this episode, I talked with Dr. Caro about the COVID-19 pandemic. He mentioned that the Delta variant is changing and impacting how hospitals treat patients. He says the good thing is the medical community has had experience with treating patients over the last year. He encouraged everyone to get vaccinated and to take simple mitigation methods to slow the spread of COVID-19.

Jax Journal

Host: Steven Ponson

Airdate: 8/22/2021

Airtime: 6 AM

Topics: Prostate cancer

Guests: Urologist Clint Collins with Memorial Hospital

Duration: 23:38

Summary: I talked with Urologist Clint Collins with Memorial Hospital about prostate health. He says it's a cancer that's mainly discovered through screening and it's a non-aggressive form of cancer. He says the older you are the more at risk you are for getting the cancer. Collins says if men are having trouble going to the restroom then they should go see a doctor. He says screening either every year or every other year is the best way to detect prostate cancer. He says the best way to prevent getting prostate cancer is having a low fat, healthy diet. He says generally they can treat the cancer either through radiation or surgery and early screening is key. He says it's a complex issue and there are no absolute answers for the issue.

Promotional, Community Service & Volunteering Events

(8/20) Care-a-thon – All Stations & Employees headed-up by WOKV

All stations promoted through on-air promos, donating auction items and social posts to push donations. Every dollar donated will benefit local pediatric cancer patients and their families. The nonprofit, with only one full-time staff member and a countless number of volunteers, provides financial assistance to hundreds of pediatric cancer patients each year.

(9/1-12/31) Be the Sun, Not The Salt contest – All Stations

All stations are pushing a contest for listeners to nominate teachers, mentors, or coaches who have had a positive impact on their lives and/or in the community. Recognizing 'Positive Energizers' who are doing good and making a difference. Nominations will receive restaurant gift cards and be entered for the grand prize for recognition at their work, several different gift cards and swag bag.

(9/5; 9/12; 9/19; 9/26) Songs that Saved My Life on X106.5

X106.5 is dedicated to breaking the stigma around mental health, taking it from a taboo issue to something you can regularly discuss with anyone. Every Sunday night, with an artist co-host, X106.5 takes listeners through songs that have helped people, - our jocks, our artists, our listeners, - through difficult times.
