

WMAQ
CHILDREN'S OVERAGE CERTIFICATION

January/February/March 2017

This is to certify that Television Station WMAQ-TV has verified that: i) the supplier of the following programs, as a standard practice, formats the following identified children's programs consistent with the statutory limits on commercials permitted to air within programs designated as children's programs and targeted to 12-year-old or younger children; and ii) that television station WMAQ-TV has aired the following identified programs in a manner consistent with such statutory limits. Any commercial minute overages are set forth below.

<u>Programs</u>	<u>Supplier</u>	<u>Overages</u>
-----------------	-----------------	-----------------

WMAQ

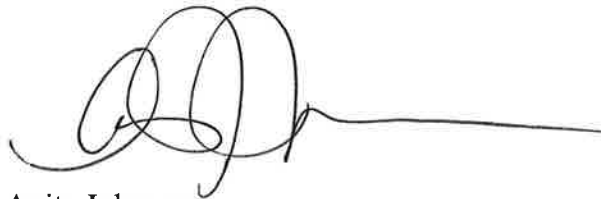

The targeted age range for the three hours of Children's Educational and Informational Programming broadcast per week by NBC is 13 years to 16 years. NBC does not offer any programs originally produced and broadcast primarily for an audience of children 12 years old and younger. The programming presented on NBC is therefore not subject to the commercial limits set forth in Section 73.670 of the FCC's Rules.
