## 4<sup>th</sup> Quarter – October 1<sup>st</sup> to December 31<sup>st</sup>, 2022

Following is a listing of significant issues identified and responded to by KCTO, Cleveland, Missouri. This listing covers the most significant programming treatment during the calendar quarterly period of October 1, 2022 until December 31, 2022. This listing is by no means an exhaustive list of all public service programming run during this period and the order in which it appears does not reflect priority or significance.

**Please note that due to the Covid 19 Pandemic our studios have been closed for in studio interviews which has cut down on the availability of guests and consequently reduced the amount of local programming. This will hopefully be only a temporary situation.**
