## To Whom It May Concern:

Attachment A hereto lists the Stations.

For the carriage cycle of January 1, 2015, through December 31, 2017, Gray elects RETRANSMISSION CONSENT STATUS for each full-power Station on each cable television system that, at any time during the carriage cycle, serves any community located in any Station's television market (as defined by the FCC), including each such system that is owned or managed, directly or indirectly, by your company.
