

I. CHILDREN'S EDUCATIONAL AND INFORMATIONAL PROGRAMMING

GAME WARDEN

Game Warden is a weekly, half-hour program dedicated to showcase the men and women around the world, who preserve and protect our natural resources, wildlife and environment.

MAGIC SCHOOL BUS

In every episode, viewers will travel with Ms. Frizzle, her class, and their magically transformable bus on a wildly funny and fantastic adventure in science. They will go inside a volcano for an adventure in geology; to the edge of the solar system for an eye opening exploration of astronomy; or inside a baker's oven for a heated experience in chemistry.

MORE THAN A GAME

More Than A Game provides positive, uplifting stories to the target audience of teenagers ages 13-16. Athletes from all sports become role models as they tell their stories from on and off the playing field. The show teaches showmanship, self-discipline and the value of giving in the form of athletes giving back to their communities. Each episode promotes sports in a motivational light, inspiring teens to set goals, work hard at their dreams and succeed in life.

POPULAR MECHANICS FOR KIDS

Fast-paced and entertaining, Popular Mechanics for Kids' new season is used to full advantage to demystify all that is big, fast, strange and awesome for kids. Each of the season's 22 episodes will cover these and more different and fascinating themes or events that spark Elisha's and Tyler's inquisitive minds. Seeking their answers out on location, Popular Mechanics for Kids' dynamic duo doesn't stand on the sidelines and let the adults do all the fun stuff!

UNDER THE HELMET

NFL "Under The Helmet" showcases the pro-social on and off the field activities of the NFL's leading players and coaches. Working with the National Association for Sports and Physical Education, the program educates teens about dedication, teamwork and community service as well as providing examples of responsible social and personal behavior.

II. CHILDREN'S ENTERTAINMENT PROGRAMMING

ACTION MAN

Action Man follows the adventures of a young, incredibly athletic thrill seeker, who one day discovers that he possesses the unique ability known as the AMP (Advanced Macro Probability) Factor, enabling him to predict future events by calculating the probable outcomes of all possible action. Together with his support team of young adventurers, Action Man travels the globe participating in heart-pounding sport competitions. When the evil Dr. Prometheus presents a seemingly unstoppable global threat, only Action Man can save the world by combining his athletic abilities with the AMP factor.

BEAST MACHINES

Beast Machines takes the Maximals, the infamous team of cybernetic robot/animals to a new realm where they struggle to free their homeworld of Cybertron from the clutches of a powerful ruler. After the defeat of Megatron, the Maximals which include: the leader Optimus Primal, the impetuous feline Cheetor, the calculating spider Blackarachnia and the wise-cracking rodent Rattrap, awake back on Cybertron, with no recollection of how they arrived. Instead of a celebration for the success of the Beast Wars, our heroes find themselves being hunted by a new mysterious breed of Transformers: Vehicons.

These Vehicons are under the force control of Megatron who has returned with a vengeance, taking Cybertron under his control. With Megatron in command, the Maximals are forced into hiding underground where their bodies undergo a strange reformation altering their beast/robot bodies. The Maximals must perfect this new art of metamorphosis as they struggle to free Cybertron from Megatron's grasp. One survivor of Megatron's invasion, Nightscream, joins the Maximals in their quest to free Cybertron.

BIG GUY & RUSTY THE BOY ROBOT

Big Guy & Rusty the Boy Robot tracks the continuing adventures of a mighty robotic duo as they protect the Earth from mutants, mad scientists, aliens, monsters and evil robots. Big Guy, a mechanical colossus designed by the military to defend the world against any assault, is reluctantly teamed with Rusty, the next step in robotic artificial intelligence—a boy robot with human emotions. Rusty idolizes Big Guy and eagerly tries to follow in his footsteps, but there's something Rusty doesn't know. Big Guy's not a robot at all, but a skilled human pilot, operating a highly sophisticated mechanical suit. Despite their differences, these high-tech heroes forge a solid friendship and work together like one well-oiled machine—most of the time!

DIGIMON: DIGITAL MONSTERS

It all began with seven kids out enjoying life at a local summer camp. Unaware of what the weather was like outside, the kids all thought everything was going fine. Camp was running smoothly, nothing appeared strange—that is, until it started to snow...in the middle of July. After a sudden snow storm, the kids found these mysterious gadgets (digi-gadgets) whose powers mysteriously transported them through a vortex into Digiworld.

Upon their arrival to Digiworld, the seven young heroes befriend small creatures known as Digimon (digital monsters) with whom they instantly form a special bond. Each Digimon has its own personality that corresponds or contrasts to the personality of one of the heroes. The Digimon band together to protect their human friends from giant evil Digimon.

The kids encounter both good and terrifying monsters on their quest for peace, often coming face to face with unknown obstacles.

LOS LUCHADORES

Los Luchadores is an outrageous mix of action, adventure and absurdity with a hero for a new era of all-out action. By day, Lobo Solo is World City's greatest wrestling champion and stomping his way to victory after victory in the ring. When danger calls, Lobo Solo and his young apprentice are always ready to take on the gentleman. He is 500 pounds of masked wrestling might. He is Lobo Solo, the Luchador!

NASCAR RACERS

Nascar Racers presents a heart-pounding, high-octane adventure. Nascar Racers highlights four young drivers and their adventures in their futuristic racecars. Charger, Spitfire, Stunts and Flyer find endurance, focus and dedication both within themselves and as a team.

POWER RANGERS LIGHTSPEED RESCUE

This series features an all new cast of five young adults each specializing in different rescue training techniques. Carter the new Red Ranger is a firefighter, Chad the Blue Ranger is a rescue diver, Joel the Green Ranger is a top-notch pilot, Kelsey the Yellow Ranger is an extreme athlete, and Dana the Pink Ranger is a trained paramedic. Each episode, this rescue squad will collectively utilize their special skills to save a city in turmoil.

POWER RANGERS TIME FORCE

This latest incarnation of the Power Rangers series introduces five new teen heroes who comprise a brave legion of police known as "Time Force."

SPIDER-MAN UNLIMITED

While tracking his enemies, Venom and Carnage to Counter-Earth, Spidey discovers the Beastials. These mutant beings have taken over and turned the humans into slave. But, in the safety of the city's underworld, Spidey meets a group of freedom fighters and their leader, John Jameson. Together, with Jameson, and a few other worldly friends, Spider-Man must do battle with Venom and Carnage, the Beastials, and the planet's ultimate ruler, the High Evolutionary to save humankind and return to Earth.

X-MEN

Synopsis not available as of 4/9/01.

ZACK FILES

This new live-action series chronicles the misadventures of 13 year-old Zack Greenburg, who finds himself to be a magnet for the paranormal, and unimaginable.
