- *Gethsemane Ladies Conference:** On January 18th, the ladies of Gethsemane Baptist Church hosted a woman's conference for all the ladies in the community. WDFB announced this event and conducted an on-air interview with some of the ladies for this even. The conference was a wonderful encouragement to our community.

The water department then contacted us to let us know when the boil water advisory was over so we could also inform our listeners.

They pray for the many request we receive daily, whether they be e-mailed, called in or texted. We also use this time to talk about community issues/needs. The program airs from 10:30 AM to 11:30 AM.
