Quarterly Issues and Programs List
Q3 2022: July 1- September 30, 2022

SECTION 1: QUARTERLY PROBLEMS AND ISSUES

1. Economy – Housing Shortage & Tourism: Summer 2022 has come and gone, and on Cape Cod this year housing and tourism have been affected by the recent combination of economics, war in Ukraine, and the after affects of Covid.

2. Health - Breast Cancer: Interviews with The Massachusetts Breast Cancer Coalition that offer programs and information on a solving breast cancer once and for all in Barnstable County.

3. Poverty – Hunger: There is an ongoing need to provide food and services to families across Cape Cod who live paycheck to paycheck, or who are challenged with work limitations. This quarter we'll discuss several campaigns that help feed and provide local families during the most demanding time of the year.

4. Health – Suicide/Mental Health/Dependency: Thousands of Cape Codders are currently living with various mental health challenges. We addressed the overall Mental health of Cape Codders numerous times during this quarter, seeking solutions and answers to improve daily lives.

5. Veterans Affairs- During these challenging times, members of the armed services have met challenges we address in Q2 of 2022.

6. The Environment – Health Effects- As a coastal community, we frequently address conservation, scientific research, and public safety as we navigate the adjacent nautical ecosystems of Cape Cod Bay, Nantucket Sound, Buzzards Bay, and the Atlantic Ocean.
