Quarterly Issues and Programs List
Q2 2019
April 1 – June 30, 2019

SECTION 1: QUARTERLY PROBLEMS AND ISSUES

1. Substance Abuse :State leaders have identified opiate abuse as an epidemic across Massachusetts. A recent County assessment of substance abuse said the same, and also called alcoholism an endemic problem on Cape Cod. The issue affects those of all genders, ages, races, and socio-economic status.

2. Health and Wellness: Interviews with community leaders and health professionals that offer programs and information on a solving local health issues from cancer treatment to the blood shortage.

3. Crime Prevention: Specifically geared towards the youth of Barnstable County this quarter we interviewed local leaders who are keeping youngsters busy with various free programs.

4. Veteran Support: Discussions with local non-profits and/or business leaders working to make a difference for surviving veterans on Cape Cod.
