Hello! -

At Corning Community College, our students are always looking for ways to build on their education through internships. With the Regional Job Fair just weeks away we thought this would be a wonderful opportunity for employers that were interested in having interns be able to recruit those students at the same time potential employees.

We would like to identify those employers who have or are interested in providing our students here at Corning Community College with internship opportunities. For the job fair we would like our students to be able to visually identify those employers, so if you are interested in having a CCC student intern, please let us know as soon as possible.

I have attached our Employer Handbook for Internships to help with any questions you may have as well. For more in depth questions regarding internships please contact our Coordinator of Applied Learning, Jennifer Sellers at jseller2@coming-cc.edu.

Again, please let us know as soon as possible if your business would like to be identified for internships.

Best,

Meg

Hello!

Thank you for participating in this years Regional Job Fair. We are very excited to have you and anticipate that it will be fantastic event! I wanted to provide you with some important information as well as have you confirm your attendance. So a simple REPLY ALL to this email would be greatly appreciated.

**The fair is next Thursday, March 30th from 12pm-3pm in the Gymnasium at Corning Community College. Below is the Employer timeline.**

**March 30th**

**10am-Start time for employers arrival and set up.**  
**11:15am-Lunch for employers and volunteer staff. (refreshments will be available from 10am throughout the day)**  
**12pm-3pm Job Fair**

**Things to be aware of...**

1. We will provide you with a table (8ft) and chairs, you will need to bring your own table cover.
2. We do have Wifi access and that information will be on each employer table.
3. Unfortunately, there are no readily accessible outlets so please make sure any battery powered laptops or cell phones are charged.

\*\*I have attached a campus map that highlights the direction you must go in to get to the location of the gym and then to park.

\*\*PLEASE NOTE that you MUST use the employer drop off point first where we will have volunteers to assist you unloading your materials. THEN you can park in the designated employer parking area. To re-enter into the gym after parking you MUST then again return to the drop off area. This is the ONLY designated area for employers to enter and leave the gym. Again, there will be plenty of volunteers on hand for any assistance needed or questions.

Wow! What an event we had at the 2017 Regional Job Fair!

Coming Community College and our Regional Job Fair partners, CSS Workforce, NYS Department of Labor, GST Boces as well as our media sponsor WETM want to thank you for your participation.

We are still going through the numbers for attendance as well as the feedback on evaluations but the initial feedback has been overwhelmingly positive. Again, thank you for making this years job fair such a success!

We at CCC wanted to let you know that you are still able to post open jobs at your business/organization through the link I have below. You follow the link and fill out the free job posting and that is where are students go to search for jobs while they are working hard on achieving their degree. Loretta Hendrickson, Retention Specialist here at CCC can assist you with any questions regarding the form and how it works. You can contact Loretta via email at hendrickson@coming-cc.edu or by calling 607-962-9228.
