His Radio Praise

1st Quarter

January – March 2022

His Radio Praise is a unique format focused entirely around Praise and Worship Music.

His Radio Praise is meeting a need as a facilitator for Praise/Worship Leaders in the churches of the communities we serve. We are a voice for new and cutting-edge praise and worship music and a resource through educating local church music ministers. Many local churches' Worship Leaders tune in weekly to find and seek out new music for their churches. We are meeting a need in our communities as that unique voice.

We are helping to facilitate unity among churches, denominations and nationalities through praise and worship music by creating an atmosphere where our listeners can join hearts together through this unique format of limited talk.

His Radio Praise also airs resources in the form of short inspirational thoughts every day on a variety of topics of interest to our listeners, from Ministries such as Max Lucado, Skip Heitzig and Carter Conlon.

Dear Radio Training Network WLFJ,

Thank you so much for your incredible support of Hope for Justice over the last year. You have helped us run vital programs that prevent exploitation and offer aftercare to survivors, to help them rebuild their lives and embrace their freedom.

Your generosity has helped us rescue victims of human trafficking here in the US and worldwide, despite the extra challenge posed by the Covid-19 pandemic.

Our records indicate that you contributed **\$7,635.00 in 2021** and did not receive any goods or services in exchange. Hope for Justice is an exempt organization as described in Section 501(c)(3) of the Internal Revenue Code, EIN 75-3179471.

In 2021, your support helped us double our efforts to end human trafficking, by building a second team of investigators in the U.S, to rescue victims and gather intelligence to help bring traffickers to account.

Our new team is based in the Midwest, and is already changing lives by freeing victims and training police officers across the state.

Some other highlights from 2021 include:

- In one of our biggest rescue operations of the year, we carried out an **undercover investigation** in the Southern U.S which led to **six women being freed from sexual exploitation**, their place of work shut down and the alleged perpetrators arrested.
- Working together with law enforcement, **we brought to justice a man who forced three women to have sex with men while filming them for pornographic websites**. He will now serve four years in prison.
- We worked together with the United States Department of State to **train hundreds of personnel at U.S embassies abroad**, to enable them to identify and combat human trafficking.
- We provided **recommendations and expert insight** which was included in the *Frederick Douglass Trafficking Victims Prevention and Protection Reauthorization Act of 2021*; a Bill which could **bolster the fight against human trafficking worldwide**.

End Slavery, Change Lives.

You have helped us change the lives of trafficking victims such as 20-year-old Sandra* from the Southern U.S, who has rediscovered her freedom after being groomed, held captive and sexually exploited by men who lured her to them through a fake modelling job ad.

When Sandra arrived, the men took her to parties, plied her with alcohol and introduced her to drugs. They used drugs as a means of control, and began sexually abusing her. They told her she could not leave the house.

After a month, Sandra managed to alert her parents, who knew about Hope for Justice through a friend who had taken part in one of our human trafficking awareness sessions.

We were able to locate Sandra, who was unsure where she was, within a week. We collected her after she courageously escaped by climbing out of a window. We took Sandra to a safe aftercare shelter, where she is in regular contact with her parents, and is recovering.

We also worked closely with local law enforcement to identify and locate the men, who were arrested.

Meanwhile, in our overseas work in 2021, we cared for over 1,800 children who had been trafficked or were at risk of being trafficked, in our Lighthouse shelters. **We put safety measures in place in response to the pandemic, and thanks to support from people like you, every Lighthouse remained open and continued to care for children.**

We have many exciting plans for 2022, and we would love you to be involved. If you would like to find out more, please do not hesitate to contact us at (615) 356-0946 or email donorsupport.us@hopeforjustice.org

Once again, thank you so much for your support. **Together, we will end human trafficking.**

Sincerely,

**Drü Collie,
U.S Partnerships Director, Hope for Justice USA**
