

ISSUES-PROGRAMS  
January 1- March 31, 2020

1. Far and away the most crucial issue of this time is the Corona Virus Pandemic. This issue affects individual Christians and Churches in all the ways that others in this society are affected: disease, fear, job loss, etc. Also the NC "Stay at Home" Order disallows the meeting together of churches for services. This station provides daily encouragement and "connection" for Christians who are not able at this time to gather with other Christians for worship, prayer and fellowship. All of our programing meets this community's needs at this time in a unique and necessary way.
2. The next most important problem as far as the Christian Community is concerned is the continuing erosion of Christian values in our society and the marginalization of the Church. There is a great deal of concern as to how to reverse this trend and to maintain Christian ideals and values in our society. Of growing concern is the right of religious free speech in the light of value conflicts.  
Daily programs dealing with these issues are *Focus on the Family* (M-F, 6-6:30 AM, 1:00-1:30 PM, 10:00-10:30 PM). Also, *Focus on the Family Weekend Magazine* (6:00-7:00 AM, 12:00-1:00 PM on Sundays). Additionally some PSAs listed below.  
*Ravi Zachariah Ministries* analyses these issues from a Christian philosophical perspective: *Just Thinking* is a 15 minute program that airs daily at 11:45 AM, and 5:30 PM; and a 30 min program, *Let My People Think*, airs on Sat. at 1:00 PM and Sunday at 2:00 PM. The *Bible Answerman* at 6:30 PM, M-F, also addresses this.
3. The breakdown of the American family and the raising of healthy Children.  
*Focus on the Family* and *Weekend Magazine* at times listed above, also, *Family Minute* 60 sec PSAs addressing insight on family living (runs throughout the day every day, total of 120 spots). *Proverbs 31 Woman* (60 sec PSA on advice to women in the workplace and at home, runs throughout the day, everyday, total of 120 spots).

5. A continuing issue is the economic concerns affecting individual families and small businesses as well as the giving to churches and other Christian charitable causes. Paramount among these concerns (beyond individual finances) is the rising national debt. *MoneyWise* (1/2 hour daily, M-F, call in program, produced by *Compass1*, 3:30 PM – 4:00 PM and *MoneyWise* (60 sec PSA runs daily throughout the day, 120 total spots) : these programs address these problems and others from a Christian and biblical financial perspective and encourage Christians in personal financial responsibility.
6. Racial Reconciliation among Christians and Christian Churches is large upon many Christian's minds. WPJL runs the programs of both African-American and White ministries and ministers. Dr. Tony Evans, a prominent national minister, *The Urban Alternative*, a 30 minute program runs 3 times daily, and also a short feature, *Two Minutes with Tony*, (runs throughout the day, 80 spots total). We also carry local African-American church ministries. Additionally, other national programs such as *Focus on the Family*, *Revive Our Hearts*, and *Ravi Zachariah Ministries* from time to time address this issue. *Voice of the Martyrs*, Sunday, 9:30 AM (daily PSAs).

Obviously, *personal spirituality issues, and their practical outworking* are the main issues that are addressed daily on WPJL. We are committed to building up Christian individuals and churches in our community. PSAs include *A Word from the Word* (Derek Prince), *Our Daily Bread, Prayer* (Lighthouse Report), *Seeking Him* (Nancy DeMoss Wouglemuth), *Treasure in the Word* (Adrian Rogers); these run daily averaging 1-2 spots a day.
