“Red Cross News” – Kim Kroh of the Alliance Chapter of the American Red Cross joined me in Studio C to talk about the local Red Cross Efforts. Throughout Northeast Ohio, residents can call a phone number to apply for free, smoke alarms. Red Cross volunteers respond to the homes, installing a smoke alarm on each floor for maximum safety of its residents. These alarms are fitted with special batteries that last for about ten years! Thereafter, a new alarm will need to be installed; thousands have been installed.

Kim will be dropping by the studio on the first Wednesday of every month to tell the audience about such projects conducted by the Red Cross. I look forward to her reports.

Upon signing up for the “service,” the scammers are obtaining the personal information they want to control their bank accounts. Since the U.S. Government doesn’t do this, listeners are encouraged to walk away!
