				3rd Quarter 2021	
Channel	Issue	Time	Date	Duration	Title of Program
26.1	Economy	10PM	7/2/2021	100 seconds	2 NEWS @ 10PM on Dayton's CW
					<p>The June jobs report shows American employers added 850,000 jobs, including nearly 200,000 in hard-hit industries like bars and restaurants. President Joe Biden "Instead of workers competing with each other for jobs that are scarce, employers are competing with each other to attract workers. Still, overall employment remains at 6.8 million below its pre-pandemic level, and black unemployment rate stands at nearly double the white jobless rate. But the President credits the new gains to vaccination efforts and other elements of the American Rescue Plan.</p>

		26.1 Environment	10PM	7/21/2021	95 seconds	2 NEWS @ 10PM on Dayton's CW	<p>As parts of the country battle record high temperatures, the House Science Committee is holding a hearing on how it can impact workers, businesses and families. Medical experts say waves of triple digit temperatures are making parents question whether its safe for kids to play outside. Texas Congresswoman Eddie Brenice Johnson, the extreme temperatures since this June killed over 100 people in Oregon alone. She says the heat is not just dangerous to people, but also to our infrastructure. Florida Democrat Charlie Crist, says his bill, The Preventing Heat Illness and Deaths Act would create a committee to help local communities know what to do and how to respond when temperatures reach dangerous highs.</p>
	26.1 Crime	10PM	7/22/2021	136 seconds	2 NEWS @ 10PM on Dayton's CW	<p>A mysterious phone call leads to the discovery of a young Dayton father, shot dead. More than nine years later, his murder is still unsolved. Kadeisa Haris, "my brother was just so loving, so caring. He didn't deserve this. Lawanda Harris "he was our everything." but everything was taken away in the early morning hours of March 10, 2012. Kaneisha Harris, "my mon got a phone call and said my borther was shot." It happened inside an apartment on Kensington near Prescott. Det. Patty Tackett, Dayton Police, Cold Case Unit, "the difference in this case is the fact that the family got notified before the police got notified." "That just kind of tells you that there were people who knew. Detectives are still trying to figure out what, why and who? More than 9 years later, his family is still waiting for closure.</p>	

	26.1 Healthcare	10PM	7/26/2021	135 seconds	2 NEWS @ 10PM on Dayton's CW	<p>More than 50 healthcare organizations are calling for employers to "require" their healthcare employees be vaccinated against Covid-19. The American Medical Association say vaccinating is critical. The American Medical Association's Interim Past President called the need for vaccinating health care workers "critical" saying in a statement in part: "increased vaccinations among health care personnel will not only reduce the spread of Covid-19 but also reduce the harmful toll this virus is taking within the healthcare workforce and those we are striving to serve."</p>
	26.1 Politics	10PM	7/29/2021	110 seconds	2 NEWS on Dayton's CW	<p>President Joe Biden announced earlier a new federal guideline for federal employees. This is his latest effort to drive vaccination numbers up. President Joe Biden, "We have the tools to prevent this new wave of covid from shutting down our businesses, our school, our society. On vaccinations, President Biden and the Administration want the Federal Government to set an example for the rest of the country. "Every Federal Government employee will be asked to attest to their vaccination status. " "This is a really helpful way to ensure a safe workplace for employees. US Surgeon General Vivek Murthy says this could influence other companies to establish similar policies.</p>
26.1	Environment	10PM	8/4/2021	105 seconds	2 NEWS @ 10PM on Dayton's CW	<p>The 2021 Hurricane season is showing no signs of slowing down. After a record setting start, NOAA says the months ahead will be ones to watch. The National Oceanic and Atmosphere Administration gave a mid-season update Wednesday warning the season will be slightly more active than scientists initially anticipated. With five named storms so far this season, scientists at NOAA expect that number to grow to between 15 to 21 before the season ends. Matthew Rosenkrans, NOAA Seasonal Hurricane Forecaster, "that range does include 7-10 possible hurricanes, of those 3-5 could become major hurricanes."</p>

26.1 Economy	10PM	8/6/2021	105 seconds	2 NEWS @ 10PM on Dayton's CW	<p>The White House and Democrats on Capitol Hill say the latest jobs report is proof the Administration plan of fight Covid-19 pandemic is working. But President Joe Biden says it is still too early to celebrate. President Joe Biden says his American Rescue Plan is putting people back to work. The Labor Department says the US added 943 thousand jobs in July, and the unemployment rate fell to 5 point 4 percent. White House Economic Adviser Heather Boushey is optimistic, the gains from July will continue into next month.</p> <p>"Trends are certainly moving in the right direction." President Joe Biden, "My message today is not one of celebrate it is one to remind us we have a lot of hard hard work. Republicans issued statements today, declaring that the fastest job growth is in Republican-led states.</p>
26.1 Crime	10PM	8/10/2021	100 seconds	2 NEWS on Dayton's CW	<p>Continuing coverage out of Dayton, where a teen was fatally shot on Westwood Avenue last night. 9-1-1 calls indicate the boy accidentally shot himself. A call Monday night placed by a man claiming to be Da'onte Meals' neighbor suggesting Meals was handling a deadly weapon that ultimately resulted in death. Ohio Coalition Against Gun Violence Founder Toby Hoover, encouraging gun owners to understand the risk of having an open firearm in the house with children. Encouraging people who own guns to lock them up and keep them out of the hands of children. Hoover says, "there is a Bill that's been introduced in Ohio, it's House Bill 262. It would hold the gun owner responsible. It would also give gun owners credit, a tax credit if they of out and purchase locks or a safe.</p>

	26.1 Healthcare	10PM	8/24/2021	145 seconds	2 NEWS @ 10PM on Dayton's CW	<p>As more places start to require the Covid-19 vaccine, online offers are starting to pop up for people to buy a fake vaccination card. Some scammers even go as far as saying they can put you into a database showing you got the shot. Ed and Peggy Gallek are digging, going underground into the dark corners of the internet, investigating the latest offers which Federal Officials warn could be suspected con artists making an offer to sell the covid-19 vaccine card. Internet Watchdog Eric Feinberg, Vice President with a group called Coalition For A safer web. He alerted us to the problem, this comes to light with a growing demand for you to show proof you had the covid vaccine. Another cyber security firm called Checkpoint tells us you may get caught in a scam if you're not carrigul.</p>
26.1	Politics	10PM	8/26/2021	90 seconds	2 NEWS @ 10PM on Dayton's CW	<p>Lawmakers investigating the January 6th attack on the U-S Capitol are issuing a sweeping records request. Colorado Democrat Jason Crow says he supports new efforts to get to the bottom of the January 6th insurrection. This week lawmakers tasked with investigating the attack issuing sweeping record requests to several Government Agencies, demanding all communications between the White House, Trump Allies and even Congressional Lawmakers leading up to the riot, Republican leader Kevin McCarthy says the investigation is an unnecessary distraction. "If I was the Democrats I'd stop playing politics and I'd start focusing on the American people, we've got americans stranded in Afghanistan focus on that." the House panel is giving each Federal Agency two weeks to respond.</p>

					<p>The latest jobs report is out and the numbers are looking bad. Just 235-thousand jobs were added to the economy last month. After months of more robust gains the Labor Bureau reports just 235 thousand jobs were added to the economy last month. Just a fraction of the 735 thousand projected. President Biden, "we have a lot more work to do." Economist Mark Hamrick says there's little evidence linking recent Federal Aid to the recent hiring stall. "We've seen no indication in the states to end the extended, the more generous unemployment benefits that those states have had a greater increase in employment." Still Hamerick says he does not expect a double dip recession.</p>
26.1 Economy	7AM	9/5/2021	100 seconds	2 NEWS Today on Dayton's CW	
26.1 Crime	10PM	9/6/2021	130 seconds	2 NEWS @ 10PM on Dayton's CW	<p>About 30- miles west of Cleveland, the Loraine Police Department says a suspect drove by and fired shots into a car, hitting two auxiliary Officers early Sunday morning. Loraine Police say two Auxiliary Police officers had just completed their shift supporting officers on patrol early Sunday and were headed home together in a personal car around 2:45am. The officers were able to call 911, and were taken by life squad to Mercy Hospital in Loraine where they were treated and later released. Detectives are now trying to sort out the details of what led to the shooting.</p>

				<p>2 NEWS @ 10PM on Dayton's CW</p>	<p>President Biden today surveying the devastation in New York and New Jersey from the powerful remnants of Hurricane Ida. Tornadoes and catastrophic flooding ravaged the Northeast, killing at least 51 people, including three in this flooded New York basement. New video from the N-Y-P-D shows officers frantically trying to reach the family. In New Jersey, floodwaters collapsed a basement wall, trapping a two family members, who did make it out alive. Across the region, survivors pleading for help to recover. President Biden "we're going to make sure the relief is equitable and those hardest hit get what they need." He's also looking ahead, making the case for a massive infrastructure overhaul, that can withstand more extreme weather events, in a changing climate.</p>
26.1	Healthcare	10PM	9/15/2021	90 seconds	<p>2 NEWS @ 10PM on Dayton's CW</p> <p>As hospitals reach capacity for patients, doctors say the majority of people getting sick and dying are those unvaccinated against covid-19. And Health Officials say they are not only fighting the virus, but misinformation spreading online. For many in the Healthcare industry, the vaccine was the light at the end of the tunnel. Doctors at Ohio State are also treating people who are still suffering from covid symptoms months after the virus has left their body. They say the key to that, is the same as everything else right now, getting vaccinated.</p>

26.1	Politics	10PM	9/22/2021	130 seconds	2 NEWS @ 10PM on Dayton's CW	<p>Homeland Security Secretary Alejandro Mayorkas says the U-S is flying thousands of Haitian migrants at the Texas-Mexico border back home as quickly as possible. Homeland Security Secretary Alejandro Mayorkas says he's launched an investigation into the way Border Patrol Agents in Del Rio Texas rounded up Haitian migrants on horseback. Mayorkas says the pictured agents are out of the field, now on administrative duty, but New York Republican John Katko says the situation is far from handled. The Biden Administration says the Department is working to quickly return the migrants to Haiti and other countries.</p>
