On Wednesday, October 28, 2016, at 7am **WTN News** reported, Tim Horton's is also expanding here in the Miami Valley. The Dayton Business Journal reports the fast food restaurant chain based in Canada, is planning on opening a new location in Riverside. It will be at 19-75 Harshman Road and will be the third coffee shop to open in the city this year. The county must still approve the project before it can move forward. This report lasted 20 seconds.

On Monday, November 28, 2016, at 10pm, **WDTN News** reported, Buckeye Laptop is the second small business chosen as a fall pop-up shop. It offers repairs for cell phones, tablets, and computers. The store also offers high resolution digital transfer of old media. It's located on Ludlow Street in Talbott Tower and is open Monday through Friday from 10 til 7. This report lasted 20 seconds.

On Monday, December 5, 2016 at 7am, **WDTN News** reported, There's a brand new place for you to give your thumbs a work out, and quench your video game thirst in Englewood. "Gaming Adventures" celebrated its Grand Opening this weekend. The arcade is located in the Country Square Shopping Center on West National Road. Its 40 to 50 arcade games including retro classics such as "Miss Pac-Man" and "Frogger". There is also console gaming area, snack bar and projection screen. "Gaming Adventures" is open Tuesday through Sunday. This report lasted 25 seconds.

2 News on Dayton's CW addressing CRIME & JUSTICE/SUBSTANCE ABUSE during the Fourth Quarter of 2016. The issue was addressed in through our locally produced talk shows, news programming, and other programming listed below:

On Thursday, October 27, 2016, at 10pm, **WDTN News** reported, police are looking for a suspect who they say attacked a woman leaving the Hollywood Casino Wednesday night. The woman told police as she was walking to her care around 9:45 with her purse in one hand and her car keys in the other, when she was grabbed from behind. She saw a white male grabbing her purse but she refused to let go, so the attacker dragged her across the parking lot. This report lasted 20 seconds.

On Monday, November 28, 2016, at 7am, **WDTN News** reported, at least seven people are hurt after a shootout across several blocks in Kansas City. Police found people in vehicles shooting at each other. When the bullets stopped, seven people were injured, and there were at least four different crime scenes. No officers were hurt during the incident. One person reported being shot by police and was treated for minor injuries. This report lasted 25 seconds.

On Sunday, December 11, 2016, at 10pm, **WDTN News** reported, a burglar picked the wrong family to mess with. A Miami County intruder is in jail tonight after a family fought back. It happened Friday night on North Rangeline Road outside of Covington. Deputies say the family got home from dinner and found the suspect trying to steal weapons. The homeowner fought the intruder while his wife and kid secured the weapons. The man's son handed him the shotgun and held the intruder at gunpoint until officers got there. Robert Molihan, Jr., was arrested. He is in the Miami County Jail facing aggravated burglary charges. Police are searching for others who may be connected to the crime. This report lasted 35 seconds.

2 News on Dayton's CW addressing EMPLOYMENT ISSUES/JOB during the Fourth Quarter of 2016. The issue was addressed in through our locally produced talk shows, news programming, and other programming listed below:

On Friday, October 28, 2016, at 7am, **WDTN News** reported, a federal jury found seven defendants not guilty for their part in the armed takeover of a Federal Wildlife Refuge in Oregon. Brothers Ammon and Ryan Bundy and five others were acquitted on charges of conspiring to impede federal workers from their jobs. The group let the standoff at "Malheur National Wildlife Refuge" that began January second and lasted about six weeks, bringing attention to the long-running dispute over control of federal lands. Supporters say they are overwhelmed by the decision. This report lasted 30 seconds.

On Wednesday, November 30, 2016 at 7am, **WDTN News** reported, Carrier says a deal has been struck with President-elect Donald Trump that would keep nearly one-thousand jobs in Indiana. Trump and Vice President-elect Mike Pence, the current Indiana Governor, will be in that state tomorrow for the official announcement. Donald Trump made keeping American jobs from fleeing to Mexico a campaign promise. Carrier had previously said it planned to close two Indiana plants. One in Indianapolis has 13-hundred workers and another in Huntington employs 700. This report lasted 25 seconds

On Wednesday, December 7, 2016, at 7am, **WDTN News** reported, the Dayton Public School Board has decided to delay "any" decision to layoff teachers' aids and other support staff until the end of the school year. The crowd of teachers, teachers' aides, parents and community members cheered as the board announced their decision to delay the vote to cut 30-jobs. After the backlash from November's meeting, board members toured the buildings met with employees, parents and students to hear their concerns. Superintendent Rhonda Corr says cuts will still need to be made, but not right now. This report lasted 30 seconds.

2 News on Dayton's CW addressing EDUCATION during the Fourth Quarter of 2016. The issue was addressed in through our locally produced talk shows, news programming, and other programming listed below:

On Wednesday, October 26, 2016, at 7am, **WDTN News** reported, a committee is working to improve drug education in Ohio Schools. The "Ohio Joint Study Committee on Drug Use Prevention Education" held a meeting last night at Wright State University, looking into drug use prevention education. Officials say Ohio is not a one-size-fits-all state when it comes to educating students about drug use. This report lasted 20 seconds.

On Thursday, November 17, 2016, at 10pm, **WDTN News** reported, 11th Grade students from Upper Valley Career Center get the chance today to learn about metal work for apprenticeship week. The National Week was created last year to tell the story of Apprenticeships and invite business and industry, students and workers to learn about the real-world advantages of an alternative form of higher education. This report lasted 20 seconds.

On Thursday, December 1, 2016, at 10pm, **WDTN News** reported, Dayton's Board of Education meets with parents this evening to hear their concerns. It stems from a meeting earlier this month, where the school board said it was going to cut at least 20 jobs from the district. In tonight's discussion with parents, the board said those positions may not be cut at all this year. Some parents say they understand cuts may need to be made because of declining enrollment, but they want to understand the process. This report lasted 20 seconds.

2 News on Dayton's CW addressing HOUSING ISSURE/FORECLOSURE during the Fourth Quarter of 2016. The issue was addressed in through our locally produced talk shows, news programming, and other programming listed below:

On Tuesday, October 18, 2016, at 10pm, **WDTN News** reported, the President of the Downtown Dayton Partnership says the current vacancy rate downtown is only 3-point-5 percent. Demand for housing right now is higher than the options available. For example, the Water Street Flats opened early summer. They're almost completely full. 600 new housing units are expected downtown in the next 18 months. This report lasted 15 seconds.

On Monday, November 28, 2016, at 7am, **WDTN News** reported, Dayton Mayor Nan Whaley and several Montgomery County Commissioners will join officials with the Dayton V-A and the "Montgomery County Homeless Solutions Policy Board" for a press conference. It's happening at 1:30 this afternoon at the V-A Medical Center. We'll let you know what happens. This report lasted 25 seconds.

On Thursday, December 7, 2016, at 7am, **WDTN News** reported, one of Gatlinburg's most prestigious lodge already looking into the future. The Lodge at Buckberry Creek has been open for 12 years, housing the visitors, some famous, that Gatlinburg attracts. Now, the Lodge is in ruins. The wildfires completely demolished the premiere retreat. All of the employees and guests made it out the night of the fire and the owners say that's what is important. Now, the owners are working on rebuilding. This report lasted 25 seconds.

2 News on Dayton's CW addressing SOCIAL WELFARE/HEALTH during the Fourth Quarter of 2016. The issue was addressed in through our locally produced talk shows, news programming, and other programming listed below:

On Friday, October 28, 2016, at 7am, **WDTN News** reported, we're getting answers about Caresource's plan to expand. The nonprofit health plan which is head-quartered in Dayton, has doubled its workforce in the last five years and they're running out of space. The plan is to build a new 7-story office building at the corner of First and Jefferson Streets in Downtown Dayton. This report lasted 20 seconds.

On Monday, November 28, 2016 at 10pm, **WDTN News** reported, Texas becomes the second state in the continental U-S to confirm a locally-transmitted case of Zika Virus. Health officials say lab results confirmed the virus in a non-pregnant woman living in South Texas last week. The woman has "not" traveled to an area where the virus is circulating. This report lasted 20 seconds.

On, Thursday, December 8, 2016, at 7am, **WDTN News** reported, the Superintendent of the "Northeastern Local School District" says South Vienna School will be "closed" today. The school reported more than 100-people absent Wednesday due to illness. The announcement comes as the "Clarke County Health District" investigates a possible Norovirus outbreak at the school. This report lasted 20 seconds.

2 News on Dayton's CW addressing GOVERNMENT during the Fourth Quarter of 2016. The issue was addressed in through our locally produced talk shows, news programming, and other programming listed below:

On Friday, October 21, 2016 at 10pm, **WDTN News** reported, meantime, the Republican Presidential nominee, Donald Trump, hit up two important states today, North Carolina and Pennsylvania. In P-A tonight, he talked about his plan to rebuild the military, calling it the largest rebuilding effort since Ronald Regan. He also pressed the need for major investments in our Nation's infrastructure. As well as the need he said, to clean up our quote "rigged" government. This report lasted 15 seconds.

On Monday, November 21, 2016 at 10pm, **WDTN News** reported, protecting Donald Trump and his family is costing New York City nearly one million dollars a day. And according to New York law enforcement officials, the cost could continue even after he moves into the White House. That's because Melania Trump and their 10-year-old son Barron expect to stay at Trump Tower in Midtown Manhattan, at least until the end of the school year. And Donald Trump has indicated he plans to return home regularly. New York Mayor Bill Beblasio says he hopes the Federal Government will reimburse the city for some of the costs. This report lasted 30 seconds.

On Monday, December 12, 2016 at 7am, **WDT N News** reported, Chris Christie was offered several positions in President-elect Donald Trump's administration, but the New Jersey Governor turned them all down. That's according to a report by NJ-Advance Media. The rejected offers included, Homeland Security Secretary, Veterans Affairs Secretary and U-S Ambassador to Italy. The report says Christie did not think any of them were a good fit. Christie was among Trump's closest advisers during his campaign, but was demoted shortly after his victory. This report lasted 25 seconds.

2 News on Dayton's CW addressing ENVIRONMENT during the Fourth Quarter of 2016. The issue was addressed in through our locally produced talk shows, news programming, and other programming listed below:

On Saturday, October 15, 2016, at 10pm, **WDTN News** reported, more than 500 people in Haiti died because of the hurricane. It has caused the country to reschedule its Presidential election for November 20th. Officials say it's important include large parts of the population affected by the storm to ensure the legitimacy of the vote. This report lasted 20 seconds.

On Tuesday, November 29, 2016, at 10pm, **WDTN News** reported, tonight the death toll stands at three, all killed when the fires suddenly raged out of control, fueled by winds up to 87 miles-an-hour. Hardest hit is the resort town of Gatlinburg where hundreds of homes and businesses are damaged or destroyed. Some evacuees were escorted out on foot by Tennessee State Troopers after downed trees blocked roads. This report lasted 20 seconds.

On Thursday, December 1, 2016 at 7am, **WDTN News** reported, at least two people were killed during overnight storms in Tennessee Tuesday night. A tornado ripped through the area heavily damaging a fire station and a post office along with numerous other structures. Officials confirmed that a husband and wife were killed in their mobile home, and at least 50 homes were damaged. Residents described the moments before the tornado it. This report lasted 20 seconds.
