PROGRAM TO ADDRESS IT (Your Show's title): This Way Out

DATE: 4/1/2013 TIME OF DAY: 6:00 am DURATION: 29:00

BRIEF DESCRIPTION OF PROGRAM (Format, participants, content, etc.):

SEGMENT #1 - "NewsWrap": The U.S. Supreme Court hears two historic days of oral arguments on marriage equality cases - the first involving California's Proposition 8, and the second challenging DOMA, the federal Defense of Marriage Act; PTSD takes its toll on gay Army hero Lt. Dan Choi as he's convicted of a criminal misdemeanor for chaining himself to the White House fence in a 2010 protest against Don't Ask Don't Tell; French "family values" types "put the kids in front" as hundreds of thousands march against marriage equality - and police - in Paris; Pride is banned in another Russian city and its organizer is beaten as TV cameras roll; and the "Universal Machine", (ultimately persecuted) gay mathematician Alan Turing's forerunner to the modern computer, is named the greatest British innovation of the 20th century (written by GREG GORDON, produced by STEVE PRIDE, and reported this week by PAMELA BROOKS and WENZEL JONES)..... 7:06

SEGMENT #2 - People across the U.S. and around the world are still discussing the historic two days of oral arguments on marriage equality at the nation's SUPREME COURT on March 26th and 27th. The high court heard arguments on CALIFORNIA's marriage equality-banning PROPOSITION 8 on the 26th. Justices explored issues of legal standing, states' rights, discrimination, and the purpose of marriage in society (with an on-scene report by ALICE OLLSTEIN of "Free Speech Radio News" featuring comments by lead plaintiff KRISTEN PERRY, and excerpts from the hearings including remarks by CHIEF JUSTICE JOHN ROBERTS, JUSTICES SONIA SOTOMAYOR, ELENA KAGAN, STEVEN BRYER, Prop 8 defense attorney CHARLES COOPER, and Prop 8 opposing attorney TED OLSON; additional excerpts from the hearings feature JUSTICES SONIA SOTOMAYOR, ANTONIN SCALIA and ANTHONY KENNEDY, and Prop 8 defense attorney CHARLES COOPER; NYU Law School professor KENJI YOSHINO then briefly discusses the arguments with MSNBC's RACHEL MADDOW) ... 11:06

SEGMENT #3 - "TWO" I.D. by recently retired "out" EPISCOPAL BISHOP GENE ROBINSON [:07] + Justices turned their attention on March 27th to the Defense of Marriage Act, or DOMA. The 1996 law bans the federal government from recognizing same-gender couples who've been legally married in Washington, D.C. and the 9 states that currently allow it - and denies them more than 1100 federal benefits available to their heterosexual peers. Brief comments by plaintiff EDITH WINDSOR following the proceedings precede ALICE OLLSTEIN's report for "Free Speech Radio News", with comments by U.S. SOLICITOR GENERAL DONALD VERRILLI, DOMA defender PAUL CLEMENT, and JUSTICE ELENA KAGAN; additional hearing excerpts feature JUSTICE RUTH BADER GINSBURG, CHIEF JUSTICE JOHN ROBERTS, and Windsor's attorney ROBERTA KAPLAN; and SHANNON MINTER of the National Center for Lesbian Rights predicts DOMA's demise with gay journalist REX WOCKNER [8:31] 8:38

ISSUE: _____ Lawrence v. Texas, Urvashi Vaid, _____

WE RAN THE FOLLOWING PROGRAM TO ADDRESS IT (Your Show's title): This Way Out

DATE: 3/18/2013 TIME OF DAY: 9:30 am DURATION: 29:00

BRIEF DESCRIPTION OF PROGRAM (Format, participants, content, etc.):

SEGMENT #1 – "NewsWrap": The second time is one charm away from marriage equality in New Zealand, while an upstate Michigan Native American tribe becomes the third in America to marry same-gender couples, and civil unions for lesbian & gay couples are all but a done deal in Colorado; a federal appeals court overturns Virginia's sodomy statute citing the U.S. Supreme Court's 2003 Lawrence v. Texas decision ruling that state's law to be unconstitutional, and the U.S. Internal Revenue Service revokes the tax-exempt status of the gay "cure"-peddling National Association for Research and Therapy of Homosexuality (NARTH) because the group had failed to submit required tax forms for three years; a much anticipated speech on human rights by Britain's Queen Elizabeth II that activists expected to be LGBT-inclusive buries them instead in "other grounds"; holy landlords! Italy's biggest gay sauna shares space with priestly housing; and "meet the new Pope, same as the old Pope" [intro'd with a brief musical snippet by The Who] (written by GREG GORDON, produced this week by BRIAN DESHAZOR & STEVE PRIDE, and reported by NATALIE PEOPLES & JOHNNIE TORRES). . . . 10:53

SEGMENT #2 – "Vegas" billboard [:09] + You could probably argue that there's an "irresistible revolution" whenever URVASHI VAID enters a room. From the National Gay and Lesbian Task Force to the Ford and Arcus Foundations, Vaid is a veteran community organizer, attorney and author known for her incisive political analysis. "IRRESISTIBLE REVOLUTION: CONFRONTING RACE, CLASS AND THE ASSUMPTIONS OF LGBT POLITICS" is the title of Vaid's latest book. She talked in New York City recently with CHRIS THOMAS on WBAI's "OUT FM" about why she believes equality is just not enough [10:01]. 10:10

SEGMENT #3 – "TWO" I.D. by multi-talented "out" comedy writer/performer BRUCE VILANCH [:16] + Humorist WENZEL JONES had a Las Vegas experience recently that did, in fact, "stay in Vegas" -- although he'll break that unspoken vow this week to tell us how he went "STRAIGHT TO VEGAS" [5:01]. 5:17

ISSUE: UN tries to block Transgender Executions, Gay Couples Sue in Singapore

WE RAN THE FOLLOWING PROGRAM TO ADDRESS IT (Your Show's title): This Way Out

DATE: 2/25/2013 TIME OF DAY: 6:30 am DURATION: 29:00

BRIEF DESCRIPTION OF PROGRAM (Format, participants, content, etc.):

SEGMENT #1 – "NewsWrap": The European Court of Human Rights rules for same-gender couple second parent adoption rights in a case brought by an Austrian lesbian couple, while Germany's highest court strengthens adoption rights same-gender couples already have there, but Puerto Rico's Supreme Court rules that gay and lesbian couples aren't entitled to adoption rights of any kind; Mexico's highest court affirms a marriage equality Decision justices hinted at in December, while the opponents of California's Proposition 8 argue in their brief filed with the U.S. Supreme Court this week that same-gender couples are entitled to civil marriage in every state of the union, not just California, but a federal judge in Australia rules that a national law denying civil marriage to same-gender couples is not bias because it discriminates equally against gay men and lesbian women; and a new "Associated Press" Stylebook entry directs that legally-married gay and lesbian spouses should not generally be referred to in A.P. stories as "husband" or "wife", but revises that guideline after escalating protests from grassroots activists and major

LGBT organizations -- but giant online retailer Amazon had already seen the handwriting on the wall [audio from "Husbands", a new TV ad for the Kindle Paperwhite] (written by GREG GORDON, produced by STEVE PRIDE, and reported this week by JOHNNIE TORRES and MICHELLE-MARIE GILKESON) 10:44

SEGMENT #2 - "TWO" Website Promo (voiced by LUCIA CHAPPELLE, with music by SWEET HONEY IN THE ROCK). :49

SEGMENT #3 - "Rainbow Minute" and "Struck By Lightning" billboard [:10] + What sound through yonder speaker breaks? 'Tis our "Queer Life & Literature" commentator JANET MASON turning the pages of "SHAKESQUEER: A QUEER COMPANION TO THE COMPLETE WORKS OF SHAKESPEARE" (edited by Madhavi Menon for Duke University Press) [4:35] 4:45

SEGMENT #4 - The liberated life of "U.K. PIONEER ALLAN HORSFALL" is celebrated in a "RAINBOW MINUTE" (produced by JUDD PROCTOR & BRIAN BURNS at WRIR-FM in Richmond, Virginia and read by TOM MILLER). 1:04

SEGMENT #5 - "TWO" Twitter/Facebook/Blog Promo (voiced by SHERI LUNN with music by BOBBY DAY). :35

SEGMENT #6 - High school senior Carson Phillips needs to bolster his college application. So the outcast literary journal editor uses extortion to turn the most popular students into contributors. Carson's plan is abruptly zapped in "STRUCK BY LIGHTNING", however, which bears a passing resemblance to the life of its Executive Producer, screenwriter and star CHRIS COLFER -- as our Entertainment Correspondent STEVE PRIDE discovered (with Colfer comments and clips from the film). 8:05

ISSUE: Marriage Equality in Uruguay, Marriage Equality in US Supreme Court

WE RAN THE FOLLOWING PROGRAM TO ADDRESS IT (Your Show's title): This Way Out

DATE: 1/21/2013 TIME OF DAY: 6:30 am DURATION: 29:00

BRIEF DESCRIPTION OF PROGRAM (Format, participants, content, etc.):

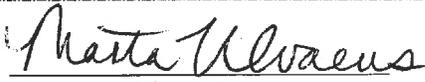

SEGMENT #1 - "NewsWrap": Tens of thousands rally against anti-discrimination protections for sexual minorities in Hong Kong and against marriage equality in Paris; P.M. Julia Gillard reportedly assures the Australian Christian Lobby that religious exemptions from anti-bias laws -- including schools and hospitals -- will continue under updated federal anti-discrimination statutes, but the European Court of Human Rights rules in the case of two devout British Christians that religious belief cannot be used to justify discrimination against gays and lesbians; the Republican majority in the U.S. House raises the "debt ceiling" on defending the Defense of Marriage Act (DOMA) in challenges to its constitutionality to 3 million dollars, while the out of court settlement of a class action lawsuit wins full separation pay for U.S. military personnel honorably discharged for being lesbian or gay but only given half the amount of other similarly-discharged service members; and well-known Canadian-born character actor Victor Garber comes out in the shadow of Jodie Foster (written by GREG GORDON, produced by STEVE PRIDE, and reported this week by CHRIS WILSON and JASON PROCTOR). 10:44

SEGMENT #2 - "TWO" I.D. by "out" Olympian GREG LOUGANIS [:07] + Maddow Manford tribute BB [:06]. :13

SEGMENT #2 - Veteran moviemaker JODIE FOSTER, who's done critically-acclaimed work in front of and behind the camera for nearly five decades, finally broke her lesbian silence while accepting the Hollywood Foreign Press Association's Cecil B. DeMille Lifetime Achievement Award at the annual GOLDEN GLOBE AWARDS in LOS ANGELES on January 13th. It was the first time Foster has spoken publicly about what had been an open secret to many. Nevertheless,

acknowledging her sexual orientation to a worldwide TV audience during a sometimes-rambling thank you speech seemed to have been a last-minute decision (with brief intro music from "I'm Coming Out" by DIANA ROSS) [6:47] + "TWO" I.D. by "out" lesbian Irish duo ZRAZY (intro'd by a snippet of their "Come Out Everybody") [:18] 7:05

SEGMENT #3 – Parents, Families, and Friends of Lesbians and Gays – widely-known as P-FLAG – always gets some of the loudest cheers at LGBT Pride parades. It began when the group's founding mother, JEANNE MANFORD, proudly marched with her son at New York's Christopher Street Liberation Day Parade in 1972. Jeanne Manford died in her Daly City, California home on January 8th at the age of 92. Rachel Maddow delivered a touching eulogy on her MSNBC cable show a few days later (includes comments by Manford and by PRESIDENT BARACK OBAMA, with outro music from "Mother Mother" by CRIS WILLIAMSON). 9:21

ISSUE: _____ Hugo Chavez, Bradley Manning _____

WE RAN THE FOLLOWING PROGRAM TO ADDRESS IT (Your Show's title): CounterSpin

DATE: 3/8/2013 TIME OF DAY: 8:30 am DURATION: 29:00

BRIEF DESCRIPTION OF PROGRAM (Format, participants, content, etc.):

This week on CounterSpin: Venezuelan leader Hugo Chavez is dead but his independence and help for Venezuela's poor remains unforgiven in the US press. We'll talk to Mark Weisbrot of the Center for Economic and Policy Research about what media's portrayal of Chavez says about media.

Also on the show: Bradley Manning's trial took a dramatic turn when he explained, in great detail, the reasons why he uploaded thousands of sensitive files to the website WikiLeaks. His goal was to spark public debate about U.S. war and foreign policy. Kevin Gosztola has been covering the trial for firedoglake.com he'll join us to talk about Manning's statement, and about the implications the trial has for press freedom.

ISSUE: _____ Iraq 10 Years Later, Ed Koch's Legacy _____

WE RAN THE FOLLOWING PROGRAM TO ADDRESS IT (Your Show's title): CounterSpin

DATE: 2/8/2013 TIME OF DAY: 8:30 am DURATION: 29:00

BRIEF DESCRIPTION OF PROGRAM (Format, participants, content, etc.):

This week on CounterSpin: "Irrefutable" was the headline on the **Washington Post** editorial responding to Secretary of State Colin Powell's UN presentation making the case for war on Iraq. That was 10 years ago this week; we'll talk with author and activist Norman Solomon, co-founder of RootsAction.org, about how much difference there is between then and now.

Also on the show: Reading the eulogies for late New York City mayor Ed Koch, you'd think he was a universally beloved figure. But for the not-so-adoring, Koch is remembered as an antagonist of ethnic minorities who presided over massive corruption and failed to adequately confront the emerging HIV/AIDS pandemic. We'll explore how Koch dealt with the pandemic with **Nation** editor Richard Kim.

ISSUE: _____ Roe v. Wade, Climate Policy _____

WE RAN THE FOLLOWING PROGRAM TO ADDRESS IT (Your Show's title): CounterSpin

DATE: 1/25/2013 TIME OF DAY: 8:30 am DURATION: 29:00

BRIEF DESCRIPTION OF PROGRAM (Format, participants, content, etc.):

This week on CounterSpin: Media are marking the 40 year anniversary of the Roe v Wade Supreme Court decision. But are they giving us a clear picture of what people think of access to abortion services and reproductive rights? Journalist Rose Aguilar doesn't think so, and she'll join us to explain.

Also on the show: Media made much of Barack Obama's comments on climate change in his inaugural address. But with a new (and undercover) assessment projecting

temperature rises of 9 to 15 degrees Fahrenheit over the next century, it's obvious that talking about climate change is not enough. We'll talk to Daphne Wysham of the Institute for Policy Studies about that story.

ISSUE: _____ Obama's State of the Union, Sports Reporting _____

WE RAN THE FOLLOWING PROGRAM TO ADDRESS IT (Your Show's title): Counterspin

DATE: 2/15/2013 TIME OF DAY: 8:30 am DURATION: 29:00

BRIEF DESCRIPTION OF PROGRAM (Format, participants, content, etc.):

This week on **CounterSpin**: Corporate media read calls for a focus on economic growth and investment in Barack Obama's State of the Union address as a sign he was "closing out the politics of austerity." Our guest says you only get that takeaway by not listening to most of what Obama said. Imara Jones is Economic Justice contributor for **Colorlines.com**.

Also on the show: Sports and politics don't mix--or at least they're not supposed to, if the bosses or much of the sports media get their way. But Dave Zirin argues in his new book that the world of sports is full of political stories—the ones we see, like athletes standing up for marriage equality or labor rights, and the ones we don't always see. He covers all of that in his new book *Game Over*, and he'll join us to talk about it.
