Dear Mr. Wood:

We have completed our review of the response of KLSQ-AM License Corporation, licensee of KLSQ(AM), to the June 26, 2013 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. The employment unit includes KGRT(AM) and KISF(FM) which are licensed to Univision Radio License Corporation. Both licensees are subsidiaries of Univision Communications, Inc. As a result of our review, we find that no further action is required.

In accordance with Section 73.3526(e)(10), if commercial, or Section 73.3527(e)(11), if non-commercial, of the Commission's rules, the licensee must place copies of this letter, our audit letter, and the licensee's audit response in its stations' public inspection files. It must maintain these materials in the files until grant, by final order, of the next renewal application of its license for the station to which the file relates.

Should you have any questions regarding this matter, please contact the EEO Staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,

A handwritten signature in black ink that reads "Lewis C. Pulley".
