Chair, Blood Drive  
(251) 401-9688

(cell)

[Ronsmiththepetsvet@att.net](mailto:Ronsmiththepetsvet@att.net)

**The Rho Alpha Chapter of Omega Psi Phi Fraternity, Incorporated, proudly announces its 2014 Annual Dr. Charles R. Drew Blood Drive!** The Fraternity is inviting the Greater Mobile Community to participate in this annual blood drive in collaboration with the **American Red Cross** to be held on **Saturday, July 26, 2014, from 12 pm to 5 pm at Pilgrim Rest AME Zion Church, 126 Greer Avenue, Whistler, Alabama. Refreshments will be served.**

Modern advances in medicine and the skills of medical practitioners were advanced by the efforts of Dr. Charles Drew, an American Red Cross physician and member of Omega Psi Phi Fraternity, Incorporated, who was a pioneer in the field of blood banking. In honor of Dr. Drew's ground-breaking and life-saving work, the Brothers of Omega Psi Phi and the American Red Cross have partnered to help save lives through the gift of blood donation during the Dr. Charles Drew Memorial Blood Drive, scheduled for this Saturday.

The goal of the Charles R. Drew Memorial Blood Drive is to raise awareness of the importance of blood donation. Each unit can help save a life. We want to focus on the specific needs within the Greater Mobile community and to increase the number of donors for **Sickle Cell** patients, especially children. Our goal is to collect over 30 units of blood, but we need your participation! We can only do this by educating our Fraternity and the community on the **importance of donating blood** so that we may eradicate the fear of giving blood and reinforce the concept that **blood donors are essential to the health and safety of all communities.**

The life you save may be your own. Please help to make this event memorable! This year, we have an opportunity to leave our mark here in Mobile, Alabama. We're calling all Mobilians, Omega Brothers and their families to support this worthwhile project! Schedule your appointment today to give blood at the 2014 Omega Psi Phi Dr. Charles Drew Memorial Blood Drive.
