

Quarterly Issues and Programs Report  
October 10th, 2022 – January 10th, 2022 (Q4)  
December 13th, 2022

## Section I. Issues

The station has identified the following as significant issues facing our community during this quarter:

- A. Climate Change
- B. Logging Economy in Vermont
- C. Growing up as a Young Adult in 2022

## Section II. Programs

The station has broadcast programming addressing the above issues, detailed below.

- A. Issue 1:
  - i. Democracy Now. Every night from 7pm to 8pm. Show talks about global issues mostly surrounding climate change and its effects.
- B. Issue 2:
  - i. Lumberjack Lunch. Every Tuesday and Thursday from 11:30am to 2:00pm. Show makes note of the logging markets in Vermont and talks about common forestry practices
- C. Issue 3:
  - i. Story time with Quiet Mic. Every Monday from 5pm to 7pm. This Show invites college students and young adults to come on air and share stories about growing up as a young adult in this day and age.
