Quarterly listing of Problems/Needs/Issues

1st Quarter 2024

Problems, Issues & Needs	Show	Description	Day, Date & Time Show Aired	
Our Public Service awareness issue for January has been addressing the newly upgraded 911 emergency dispatch system	All dayparts	Public Service announcements addressing recent changes in the 911 emergency dispatch system were carried on all key shows, AM Drive, Mid Day, and PM Drive as well as overnight regularly throughout January and February. We also invited major representatives to participate in telephone messages addressing these changes and how they affect all citizens of the entire South Coast Bay Area served by KLJN	Every day during January of 2024	
Problems, Issues & Needs	Show	Description	Day, Date & Time Show Aired	
.Our focus for February was to address Law appreciation Day and Month. Like other cities throughout the US, the Oregon Coast Bay Area faces issues with policing.	AM and PM Drive times and overnight	In honor of Law Enforcement Appreciation Month, our entire focus has been on addressing specific issues via phone conversation in AM and PM Drive with law enforcement officials as well as presenting a series of Public Service messages aimed at improving the relationship of Oregon Bay Area Police and the public	This focus covered the entire month of February, 2024.	
		Description	Day, Date & Time Show Aired	

March 2024	The proposed relocation of the Deveereu Facility that supports homeless issues has been our focus for March	Keeping the public focused on the importance of supporting a dealing with a growing homelessness issue in the Bay Area while addressing rising crime in the area of the key facility has occupied our main focus for the Month of March	PSA's in rotation throughout March as well as promoting a Community TV Public Access Show dealing with these issues and telephone interviews with Community leaders regarding this issue.
