Announcer

It's a story that started in a community like ours. Cal Cunningham grew up in Lexington where church youth groups, working at the local brickyard and McDonald's shaped his life and now Cal's running a different kind of campaign for the U.S. Senate.

Cal Cunningham

I'm Cal Cunningham. I want my service in the U.S. Senate to be about listening and going places where Democrats don't always go. That's what I learned growing up in Lexington, where we don't check voter registration before taking care of our neighbors. We believe in hard work and service just like the soldiers I served with overseas.

Announcer

Cal Cunningham volunteered after nine, eleven. A Lieutenant Colonel in the Army Reserves who served three tours and took on corrupt government contractors and Cal will take on the corruption in Washington, that's been rigging the system for the drug and insurance companies. That's why Cal's not taking Corporate Pac money, because he believes that the top one percent don't need more favors, it's regular folks who need a voice. He'll be a Senator on our side.

Cal Cunningham

I'm Cal Cunningham and I approved this message.
