<p>Local News Local Public Affairs Local Government History Civil Rights</p>	<p>Racism: Challenging Perceptions #101</p> <p>#102</p> <p>#103</p> <p>#104</p>	<p>2/4/21</p> <p>2/11/21</p> <p>2/18/21</p> <p>2/25/21</p>	<p>10 pm</p>	<p>1 hr</p>	<p>We explore recent high-profile instances of police brutality, the historic roots of these inequities and how they persist today. Panelists: Elvatrice Belsches, Public Historian, Author, Filmmaker; Dr. Mignonne Guy, PhD., Assoc. Professor, VCU Dept. of African Amer. Studies; Trey Hartt, Project Director, Performing Statistics; Christopher Rashad Green, Comm. Advocate & Activist. Moderator: Adrienne Cole Johnson, MSW, Social Entrepreneur, Educational Leader, Businesswoman and Community Advocate.</p> <p>Providing equitable and fair access to education is a way to close achievement gaps between students. However, due to the historic policies rooted in systemic racism, Black and African American families are faced with disparities in education for their children. In this discussion, we will explore how structural racism has influenced the K-12 education system.</p> <p>Why is there a racial wealth gap in our country? Black and African American families have a far lower percentage of wealth than White families in America. Even as the percentage of Black and African American college graduates increase, this wealth gap still persists. During this discussion, we will explore how systemic and racist policies have affected wealth building in Black communities for generations and still affect the financial growth and stability of communities today.</p> <p>Safe housing is a cornerstone to healthy living and home ownership has been a cornerstone for wealth building in America. In this discussion, we will explore how systemic policies rooted in racist agendas have limited Black and African Americans access to safe and affordable housing as well as home ownership.</p>
