Dear Mrs. Eidman,

Thank you for joining us in honoring National Childhood Cancer Awareness Month through your generous support of Candlelighters' Cars and Casino Night at the American Muscle Car Museum. We are humbled by the financial funding and caring commitment provided by you - our event sponsor, donor and friend.

The generosity shown by our attendees has produced nearly \$28,000 in event donations – an \$11,000 increase from last year! These funds will help provide financial backing to over 75 local families in Brevard and Indian River counties whose children have been diagnosed with pediatric cancer. The overwhelming kindness shown to our organization will ensure we continue to meet the growing needs of our Candlelighter families.

The growth, development and success of our organization is truly because of the tremendous amount of support our community has donated throughout the years. Our heart of thanks to you for the love and compassion shown for our children in their fight against cancer.

Sincerely,

A handwritten signature in black ink, appearing to read "ND", is placed above the printed name.

Dear Dave:

What a success! Our September 22, Denim & Gold 2018 was a huge success and getting rave reviews from all that attended.

On behalf of Brittany's Wish and the families we support, we gratefully thank you for your commitment to making this event so successful by providing public service announcements. Your generosity helps make our vision a reality by continuing support to families with children battling leukemia.

In 2017, we assisted families with travel, utility bills, vehicle repairs, groceries, prescriptions and other necessities to help during their child's treatment. We expanded our Cheer Gift program to add more random gifts for the children during treatment and we added a Christmas in July event supporting the Childlife Programs at Central Florida children's hospitals. All this is possible because of supporters like you. As we continue to grow, please know that partnerships with our sponsors are vital to the success of our programs.

Again, thank you so much for your support.

Sincerely,
