Hello Allon,

Nice speaking with you today. Thank you for giving me the time. As discussed a CatholicTV is a 501(c)(3) nonprofit and does not have ad revenue. As a nonprofit without add revenue, we are not required to fill out the children's certificate. We do have children's programming, but it is not ad sponsored.

Please let me know if you need anything else and again I appreciate your time,

Jay Fadden
