Re: Retransmission Consent Election

Ms. Baez:

Pursuant to the provisions of Section 614 of the Cable Television Consumer Protection Act of 1992 and Section 76.64 (f) of the rules and regulations of the Federal Communications Commission ("FCC"), this letter shall serve as written notification that the licensee ("Licensee") on behalf of each television Station owned, or to which services are provided, by a subsidiary of Sinclair Broadcast Group, Inc. ("Station") all of which are listed on Exhibit A, is electing retransmission consent with respect to Verizon FiOS TV. Each Station is licensed by the FCC to operate in the communities of license, in the Designated Market Areas ("DMA(s)") as listed in Exhibit A, and transmit an analog and digital broadcast signal on the channels listed in Exhibit A. This election shall apply to each Station's respective analog and digital television signal for the election cycle beginning on January 1, 2009, and ending on December 31, 2011, with respect to your service for every community in each Station's DMA.

Our organizations have enjoyed a long and productive relationship, which we plan to maintain. We look forward to working with you to successfully conclude these negotiations in a manner benefiting all parties, including your subscribers.

If you have any questions concerning this election please contact me at (410) 568-1524.

Sincerely yours,

Barry M. Faber
