Good morning Mr. Gaines,

My name is Rachel Steinkiste, and I work for Fidelity Cablevision. We are a cable TV provider who will be offering services in the Tallahassee area, and we are very interested in carrying WTWC on our system. Therefore, we would like to obtain retransmission consent from your station.

If you could contact me at your earliest convenience, I would greatly appreciate it.

Thank you in advance for your assistance, and happy holidays!

Sincerely,
