He emphasized the importance of abstinence from all alcohol because of its potential to destroy individuals, families, communities, and our nation. Parenting	Viewpoint on the Home	Devotional	Recorded/Greenville, SC	22:00	07/06 to 07/10	5 min	This week Pete Steveson instructed parents in the topic of wisdom. Children must be taught wisdom, which is more than just being "smart". Wisdom comes from God who offers it freely but will not force it upon anyone who does not want it. Parental example is key to instilling a desire in their children for wisdom. Bible reading and study is key to obtaining wisdom.
Parenting	Viewpoint on the Home	Devotional	Recorded/Greenville, SC	22:00	07/27 to 07/31	5 min	What parents do and do not do always impacts their children. Though parents want their children to live "better" than they themselves do, children tend to follow their parent's examples of behaviors and beliefs. And though parents will search all over the world for help with their troubled teens, when, in fact, the help they need is right in their own power.
Parenting	Viewpoint on the Home	Devotional	Recorded/Greenville, SC	22:00	09/07 to 09/11	10 min	Pete Steveson spend the week discussing the value of having a "family altar" together regularly. The parents who are serious about it help their children know God and serve Him in a lifelong, wholehearted way. Reading development, public/group speaking, and family bonding are just a few of the benefits to your children when you have faithful, regular family altar.

	Appalachians		KY	1002	07/10		well-digging to illustrate the sources of joy and happiness for Christians in America. Re-digging them will help us change our country for the better.
Patriotism	Voice of the Appalachians	Preaching	Recorded/Lexington, KY	0100 & 1002	07/13 to 07/17	15 min	Pastor Fugate delivered a five-part message this week about how Christians in America should respond to the Supreme Court ruling granting homosexuals marriage rights. He notes that persecution of the church who stands for Bible standards has never hindered the work of the church. So, we must remain faithful to do and say what is right, following in the footsteps of our nation's forefathers.
Patriotism	Family Altar	Preaching	Recorded/Corpus Cristi, TX	00:30 & 09:30	08/24	15 min	In an archived sermon Lester Roloff advised Christians that, as the Bible declares, righteousness will exalt our nation but our sinful ways will make the USA a reproach to the world and to God. He shows how specific sins have specific diseases that kill.
Relationships	Blessed Hope Daily	Preaching	Recorded/Jasonville, IN	05:30 & 08:00	09/08	10 min	Pastor Jerry Ross points out that the way we treat other Christians and other people is an indicator of how much time we are spending reading the Bible and praying to God.
Religious Instruction	Truth for Today	Preaching	Recorded/Toledo, OH	1800 & 1700	07/04 & 07/05	30 min	Pastor Andrew Edwards expounds upon what Jesus said in John chapter 3 concerning two births. The physical birth, which involves the "water" and the spiritual birth, which involves the "Spirit". He points out that the physical birth's water does not point to baptism, but rather to the water in the womb. The Spiritual birth is what is required for salvation from sin; and that is not by works but by believing on Jesus Christ.

Religious Instruction	Reclaim the Name	Devotional	Recorded/Gaylord, Michigan	17:45	07/13 to 07/17	5 min	Derek Hagland used the illustration of Geo-Caching to explain to teens the value of the Bible in their lives. He encouraged them this week to study it carefully and treat it like the most valuable treasure on earth, rather than treating it like a good luck charm.
Sexual Health & Purity	Viewpoint on the Home	Devotional	Recorded/Greenville, SC	22:00	07/20 to 07/24	5 min	Pete Steveson points out this week that the society's standards of sex have changed over the past decades, but God's Word has never changed. For our health, safety, and peace of mind we need a biblical approach to our sexuality. Parents need to teach their children about the dangers of adopting society's loose morals: dangers to bodies, emotions, relationship with God, etc. If parents do not teach their children about sex, someone else will.
Sexual Health & Purity	Family Altar	Preaching	Recorded/Corpus Cristi, TX	00:30 & 09:30	08/19	15 min	In an archived sermon about Peace of mind, Lester Roloff quoted from an article about Episcopal priests voting to view homosexuality differently than the biblical view. He directs listeners to be aware of how subtle the homosexual movement can be and how destructive to a person's peace of mind.
Sexual Health & Purity	Family Altar	Preaching	Recorded/Corpus Cristi, TX	00:30 & 09:30	08/25	15 min	In an archived message, Lester Roloff points out that unrestrained sexual activity outside of marriage results in venereal disease s that kill, even in spite of all the "sex education" and "safe" sex practices.
Stress Management	Family Altar	Preaching	Recorded/Corpus Cristi, TX	00:30 & 09:30	7/20 to 07/21	15 min	Using clouds as an illustration, Lester Roloff taught how that, although we don't like their shadows and rain, going through the clouds of life often results in our protection and/or provision because the clouds of life are tools of God since
