You're on my list to call today! We're in. What do you need from us?--Josh

Fantastic!!!! Just be ready to read. All kids are welcome, we have activities, food, games, and a costume contest going on. We are all dressing up as Dr. Seuss characters and encouraging us to do too! I have Dr. Seuss hats for all readers to sport, and I will supply the books. At our last event, we had a huge turnout and all readers really enjoyed interacting with the kids after their reading. I can put you down in a certain time slot, or you are welcome to come the whole event! We can have a table

Hello! my name is Margaret Burkhart. I am a kindergarten teacher at Rose Hamilton. Each week at school we invite a community reader to come to my classroom and read a book to our 6 kindergarten classes. We were wondering if anyone from the station would be able to come in and read. We are available most mornings from 8:30 to 10:15. Thank you so much for your consideration!

Hi Margaret! We'd love to! What dates do you have available?- Josh

Sent by Josh Michaels

We are pretty open. We have a reader for the 1st week of October, other than that any week would work.

We have October 11 & 13 and most of that next week as well.

Sounds great!!! Thank you! You can bring a book of your choice or I have plenty here to choose from.

Hi! Just making sure we're still good to go for this morning. Kaysie is still sick so it will just be me. But I wanted to follow up with you. Thanks!

Hey Phil,

I'm organizing a "Professional Day" at Test, and I'd like to have a variety of professionals that speak to the students about educational goals to achieve their desired job.

Any chance we could have you come and speak?

The date is December 8th from 9-11. You'd speak to approximately 5 groups of 10-15 students.

How long for each group? 9 is tough for me. The earliest would be 9:30.

The time is still flexible, so we could move it to 9:30-11:30.

I'm thinking roughly 20-25 minutes per group. 20 minutes to present, and another 5 to answer questions?

We'd offer a template to use to walk you through major talking points. We'd like for you to discuss

What about steering them away from a radio career? Ha!

Haha... that's what I tell my wife about our child and a teaching career! 🤔

Think about it, and I'll bug you again soon.. I hope you'll be able to join us.

If I can show up late with a note, I can play. But otherwise, I'm out.

Phil, do you have an email that I can send info to you? For the professionals day on December 8th.

Philipmquinn@gmail.com

Thanks! I'll be sending it shortly. Just a rough outline of the day's activities. I'm planning on starting at 9:00, but will include you at 9:30. Sound okay?

Okay.
