This a very serious matter to us and people need to know that anyone who starts a fire with fireworks – even accidentally – can be held liable for fire suppression costs and property damage costs.”

This Fourth of July, be safe and remember:

- Fireworks are illegal in all areas served by the Ventura County Fire Department.
- Any firework that is launched into the air (except by a professional pyrotechnician) is illegal – *everywhere* in Ventura County.
- Attend a professional fireworks display.
- Never give fireworks or sparklers to children.
- Teach children that fireworks are dangerous, explosive devices.
- Remember to stop, drop and roll if your clothes catch on fire.
