Great Christian Revivals pt 2

1559

When the Holy Spirit of God ignites a revival, people and nations change dramatically! Daniel Norris, the author of *Trail of Fire - True Stories From Ten of the Most Powerful Moves of God*, vividly describes the Cape Colony South African revival with Pastor Andrew Murray; the 2nd Great Awakening with Charles Finney, that led to a great revival that spread worldwide. What's the difference between holiness and legalism? Great revivals have resulted in entire cities shutting down businesses for prayer meetings. The impact of revival is astounding. Revival is God's remedy for a morally and spiritually sick nation.

Great Christian Revivals pt 1

1558

Great Christian revivals have transformed the lives of people and nations. The First Great Awakening led to America's independence from Britain. Daniel Norris, the author of *Trail of Fire - True Stories From Ten of the Most Powerful Moves of God*, vividly describes how Jonathan Edwards' sermon, "Sinners in the Hands of An Angry God" began a nationwide revival that changed our destiny. Revival means sinners see themselves from God's perspective and understand the awfulness and repugnance of Sin to a Holy God. Revival brings eternity to mind as people see themselves in hell or by God's grace, heaven.

In The Name of Jesus pt 2

1557

Obama promoted homosexuality in the military to try to change our culture and with that came persecution of Christians. Former Chaplain Gordon Klingenschmitt, author of *How to Liberate the World in 30 Days - A Step by Step Guide to Take Back Your Country*, tells how chaplains in hospitals, police departments and before city councils have had their prayers censored, but with public pressure overturned. A nationwide movement to restore religious liberty has been organized to enable Christians to take back our country. The culture war is a spiritual war that's all about God and His Commandments.

In The Name of Jesus pt 1

1556

Christians are punished in the military for having Christian beliefs. Col Leland Bohannon was denied promotion to General for his views on same sex marriage. Former Chaplain Dr Gordon Klingenschmitt, author of *How to Liberate the World in 30 Days - A Step by Step Guide to Take Back Your Country*, was court martialed for praying in Jesus name, but he fought back and with millions of petitions sent to Congress he got the Navy to rescind their bad policy. Klingenschmitt said, "Religious freedom is the cause I would die for!" God is giving us culture-changing victories by winning the culture war for Christ.

Powerful Testimonies on Life pt 2

1555

Can you imagine the owner of the abortion clinic coming into *your child's school* to teach children sex ed? The abortion clinic owner, Carol Everett, author of *Blood Money*, said that's exactly what she did, because it increased her abortion business. Her clinic prescribed birth control pills they knew would enable girls to become pregnant. Carol Everett, who was responsible for the deaths of over 35,000 babies, tells the truth about sex ed. *Planned Parenthood* counselors have degenerated into telling children to experiment with deviant sexual behavior. Anyone with kids in school needs to hear this fascinating program.

Powerful Testimonies on Life pt 1

1554

Killing babies is not just a political issue- it is a *human rights* issue. With a pro-life President, the abortion holocaust is close to ending. Gianna Jessin, who survived an abortion, is a voice from God telling us that we're killing His babies. Dr Bernard Nathanson, author of *The Hand of God*, was the infamous abortionist who operated the largest abortion mill in the world, killing over 75,000 babies including his *own son*. He tells how they used words, like calling baby killing simply a woman's choice or reproductive health, which helped make abortion legal. It's called *partial birth abortion*, but it is really *infanticide*.

God's Creative Genius

1553

God's creative Genius is seen in His design of the ear, the eye, the heart, and the brain that all show Intelligent Design for a purpose. Yet evolutionists says there's no purpose but random accidents. Dr David Menton, teacher at *Answers in Genesis*, gives fascinating details of how sound waves are converted from airwaves to chemicals in the brain. God created *age* in Adam, in trees and starlight at creation. Cut of Pastor Chuck Smith on how the shape of seeds propels them to spread away from the tree. How water in coconuts enables them to plant and not be killed by the saltwater. Design proves a Designer.

Trial by Fire

1552

The great US Senate Chaplain Peter Marshall Sr gave a fiery sermon, *Trial By Fire* that shook the nation. As Elijah challenged Israel, Peter Marshall challenged Americans in the mid 1940's to choose between following Christ or Ba'al. Many Americans live in a moral fog that knows no absolutes but a confused grey. What does America stand for to those who have sacrificed so much in war? Is this nation worth dying for? If we no longer follow the Lord, stop pretending to be a Christian nation. Without God, we can't move mountains but stumble over molehills. America will be governed by God or ruled by tyrants.

God's Birth on Earth

1551

What is God like? Hundreds of years before the birth of Christ, Isaiah prophesied about Christ, "Unto us a Son is given: and His Name shall be called Mighty God, the everlasting Father." Was Jesus really God? Was He the Creator? He was. God came to the earth He created in the smallest form possible, as a single cell. Film maker Bruce Marchiano, who acted the parts of Jesus in more films than any other, is the author of *Jesus, Yesterday, Today and Forever*. What was Jesus like as a child? What was it like for Mary, expecting Jesus to rule the world, to see Him crucified? Why did Jesus have so much supernatural joy?

Classic Christmas Composers

1550

Christmas would not be Christmas without Christmas music. It's ironic that public schools censor out any music that mentions Jesus as Lord, yet the greatest musicians were Christians. Mozart, Beethoven, Bach, Handel... were born again Christians who loved our Lord. Dr Patrick Kavanaugh, author of *Devotions from the World of Music*, and *Raising Musical Kids*, gives some fascinating details into the lives of the world's greatest composers and some great ideas how to help your child develop a love for good music. What do you say when your little Mozart wants to quit his music lessons?

Who Is Jesus

1549

If Jesus is not God, how does his death on the cross *save your soul*? Was Jesus just a *good moral teacher*? Jesus did and said amazing things no other person has ever said or done like miraculously, instantly stopping a mega-storm at sea with just His word. Jesus said He is the great "I Am", which is God Almighty's name. When He raised Lazarus from the dead, He said, "I Am the Resurrection and the Life." He also said, "No one comes to the Father except through Me." Greg Gilbert is the author of *Who Is Jesus?* The most important question is *who do you say Jesus is?* How can Jesus be God as the Father is God?

Victory in Court

1548

As a teacher, Dr Robert Simonds was a bold witness for Christ and would begin class with a scripture on the board. The ACLU sued and took him to court. The Lord gave Dr Simonds a brilliant defense and even miraculously pressed the heads of the prosecution to their desks. Dr Simonds says, "If you stand up for Christ, He will do the rest." Another time at an NEA convention, Dr Simonds stood up to defend Christian teachers from a hostile crowd that pressed in on him. But the Lord again provided a powerful angelic defense. Dr Simonds, founder of *Citizens for Excellence in Education*, is our mentor.

Saving a Sick America

1547

Our nation is morally sick with marriage and family in tatters, the Church in denial – avoiding controversial social issues, and schools teaching immorality. Dr Michael Brown, author of *Saving a Sick America – A Prescription for Moral and Cultural Transformation*, says, "Schools don't teach students to think critically but indoctrinate students into relativism. How did our culture degenerate from the Founders moral and spiritual vision for America? The origin can be traced back to the schools replacing Biblical absolutes with relativism, where you can be whatever sex you *feel* like. Without God, anything goes.

Side B: 11/18/2017

Truly Thankful

1546

Schools teach that Thanksgiving was a feast when the Pilgrims gave thanks to the Indians instead of to God. Peter Marshall, author of *The Light and The Glory*, describes the first Thanksgiving when Pilgrims were starving with only 5 kernels of corn a day. Peter Marshall says The Pilgrims came here to bring the gospel to the Indians. Connie Ricks, a 4th grade teacher, reads the diary of a girl who came over on the Mayflower and the struggles they endured. Dr John Pafford says it was the strong Christian faith of the Pilgrims that established this nation as a Christian commonwealth and fostered a free market economy.

Korean Veteran

1545

How can we raise young heroes to defend our freedoms, if young people don't know the price others paid to win our freedoms in the past? This inspirational program features a captivating account by Korean veteran Ed Reeves. Ed fought

for his life in minus 30 to 40 degree temperatures. It was so cold, the bullet holes in his body froze shut and kept him from bleeding to death. Even after almost all the others were killed, Ed Reeves clung to his faith and Gideon Bible, and fought on despite his life-threatening wounds and no ammunition. This miraculous account is spell binding. It's as if you are there.

Side B: 11/4/2017

The Jesus Life

1544

There's plenty of information but little transformation! People know what Jesus taught but not how He lived. Stephen Smith, author of *The Jesus Life, Eight Ways to Recover Authentic Christianity*, says "Jesus was not stressed as many of us are today. He enjoyed life with dinners, debates and long walks with his disciples, yet He regularly got away to be alone in prayer. The dinner table is more than simply eating but fellowship and acceptance." Love is the most powerful force in the universe. Love changes atheists into followers of Christ. To live as Jesus lived means to savor and enjoy life not just endure it.

The Answer for ADHD

1543

Why are healthy children labeled "ADHD" and put on psychiatric drugs? Are they drugs for a real disease or simply for the teacher to control the class? What can parents do with a "strong willed child?" Is there a chemical imbalance in the brain? Dr Peter Breggin, a psychiatrist for over 40 years, and a consultant for the *National Institute of Mental Health*, has written more than 20 books, including *Medication Madness - A Psychiatrist Exposes the Dangers of Mood Altering Drugs*. Dr Breggin gives some fascinating case studies where psychiatric drugs didn't cure chemical imbalances but caused them.

Side B: 10/21/2017

The Biblical Basis for Education

1542

How can America get back to the ideas that made it the greatest Christian nation in history? Peter Marshall, author of *The Light and The Glory*, gave says, "Colonial New England produced the most incredibly, well-educated generation of Founding Fathers who were not only brilliant but they were full of Godly Character." Amazing achievements include the revival at Yale led by its president; Jonathan Trumble read the entire Bible at age 4 and passed the entrance exam to Yale at age 7. John Quincy Adams was an ambassador to Russia at age 14. Without absolute values corruption and destruction are certain.

Parents! Don't simply ask what kind of education you want for your children. Ask what kind of people you want them to become!
