

KELP-FM 89.3

ISSUES/PROGRAMS LIST FOR JULY, AUGUST, SEPTEMBER 2022

1.ISSUES IN EDUCATION BROADCAST SATURDAY AT 8:00am and 8:00pm

7/2/22 Standing Up For Liberty pt 2 Young people today know virtually nothing of the sacrifices made for their freedoms. To destroy a culture, destroy their history. Peter Marshall, author of *The Light and Glory* –vividly describes the horrendous starving army at Valley Forge, barefoot in the snow, and the courage Washington infused into them to fight on against impossible odds. God miraculously protected our Continental army with a heavy fog that hid them from slaughter from the British. Tom Dooley, author of *One Nation Under God-America's Lost Dream*, describes the cost of freedom in the sacrifices our forefathers paid with their lives.

7/9/22 The Diabolic Lie of Abortion, pt 1

Mark Spence, VP of outreach at Living Waters, asked a young couple about abortion. They said they believed in treating others as they would like to be treated doesn't apply to unborn babies, since it's not a person! Dr Bernard Nathanson helped make abortion legal, and aborted 75,000 babies, says he was converted to be prolife and Christian and made a sonogram of an abortion in "Silent Scream" demonstrating what abortion really is. Radio host Mark Davis answered a caller that "privacy" is not a constitutional justification to keep abortion legal. If we are honest, we know it is a baby and killing it is murder.

7/16/22 The Diabolic Lie of Abortion, pt 2

We have a generation that is historically illiterate. (Cuts of college students who say they've never heard of Adolph Hitler.) The minds of people are changed from pro-abortion to pro-life by watching a documentary comparing Hitler's holocaust to America's abortion holocaust of millions of babies. Ray Comfort, producer of the film entitled "180", makes people think! Killing innocent children in abortion is similar to killing Jews in Nazi Germany. To say it's a woman's choice is comparable to saying it was Hitler's choice to kill Jews. Comparisons are so convincing that people change their minds on abortion.

7/23/22 Schools of Marxism, pt 1

Pete Hegseth, author of *Battle for the American Minds – Uprooting a Century of Miseducation*, says there's a master plan using schools to transform our culture from capitalist/Christian to Marxist/atheist. Mark Levin says the basis of our school system is Marxist. Ray Moore President of Exodus Mandate says churches should be schools. Dr Robert Simonds says the NEA promotes homosexuality and Islam. Candace Owens says classrooms have become predatory to children. D. James Kennedy says schools are expert at converting children to humanism. Chuck Smith says secular schools contribute to social problems.

### 7/30/22 Schools of Marxism, pt 2

We are witnessing a spiritual war for the future of our nation using schoolchildren as pawns. Alex Newman, wrote magazine articles in *The New American: Rescuing Our Children*, says there is a deliberate dumbing down of children using a reading method that's a proven failure to produce a people ignorant of history and functionally illiterate. The founders of public education, Horace Mann and John Dewey, influenced the teacher's colleges so they would unwittingly follow a pattern used in communist countries, to transform America to socialism and communism. Their socialism is working to transform our nation.

### 8/6/22 Freedom To Pray at School

The Supreme Court has made a complete paradigm shift! Now, with three Trump appointed justices on the Court, Joe Kennedy's prayers on the football field have been upheld as Constitutionally protected. The attorney who won the case, Jeremy Dys of First Liberty said; "Because of this landmark case we now have more religious freedom than any time in our life time!" Kelly Shakelford of First Liberty noted how Justice Gorsuch lambasted the school for discriminating against the coach for exercising his First Amendment freedoms. David Barton gives a litany of prior Court's elimination of religious freedoms!

### 8/13/22 How to Transform Our Nation

Most Christians are unaware of the spiritual assault on our nation and don't know how to counter it. David Barton of Wallbuilders says the church has the wrong strategy by focusing on conversion and not discipleship. Jesus had huge crowds but the crowds didn't change the world. It was the dozen mentored disciples who did. The War for Independence was won with local victories. To change America we need to focus on our local battles. John Quincy Adams was mentored to become one of America's greatest Founders. David compares totalitarianism to the freedom in our republican form of government.

### 8/20/22 Is Sex Different from Gender?

Biden's Department of Ed. is forcing schools to mandate boys participate in girl's sports and use girl's locker rooms or lose Title IX funds. Dr Miriam Grossman says sex is based on chromosomes while gender has become based on subjective feelings. Prof Khiara Bridges told Sen. Josh Hawley that women who call themselves men (so-called trans-men) are capable of getting pregnant. Matt Walsh producer of *What is a Woman* gives a powerful speech to the Loudoun Country S.B. that they are deceiving children by saying masculine girls are boys. Psychologist Jordan Peterson refuses to call a girl a boy and vice versa.

### 8/27/22 Righteousness Exalts A Nation

Libby Emmon tells how schools are teaching racial prejudice by teaching students that their worth is based on skin color! When half the Christians don't vote, how are they being the salt Christ told us to be? Pastor Bishop EW Jackson, says, "In this country we choose our leaders. Socialism eliminates freedom and brings economic stagnation and oppression. God is not finished with America and wants to bring victory and revival if God's people do their part. Do we want socialism or limited government under our

Constitution?" He gives a most powerful, passionate oration using the Bible to motivate Christians.

### 9/3/22 Critical Gender Theory

Increasingly, the left has used public schools to change our culture by indoctrinating naïve students into believing they can be whatever gender they choose. Chris Rufo tells how teachers are taught to teach that male and female are simply "social constructs" that oppress nonconforming students. Pastor HB Charles makes it really clear what the Bible teaches. Voddie Baucham, author of Family Driven Faith, says he's going to war against this woke tyranny., Mike Gurian says boys and girls are hard-wired differently. Also cuts of filmmaker Matt Walsh saying schools need to tell the truth and stop lying to kids.

### 9/10/22 The Shock of 9/11 1797

How would you overcome extreme fear and panic and remain calm if you were in the World Trade Center's towering inferno on 9/11, and you were completely blind? Listen to a total triumph of trust in this horrific catastrophe as a blind man, Michael Hingston, describes his miraculous survival in the face of imminent death. Michael Hingston, the national ambassador for the Braille Literacy Campaign, is the author of Thunder Dog. Although Roselle, Mike's guide dog, was intensely focused on guiding him to safety, she remained calm and even gave a firefighter a kiss on his final trip up the stairs.

### 9/17/22 The Heavens Declare the Glory Of God!

The heavens declare the glory of God, yet secular astronomers say distant starlight proves the universe is billions of years old. Ken Ham, founder of Answers in Genesis and author of Creation to Babel, says God created starlight seen on earth when He created the stars. Evolutionists fabricate drawings to fool naïve students. There are no transitional species but variation within a species. Dr Jonathan Henry, author of The Astronomy Book, says God created the massive stars and vastness of the universe, to show how incredibly awesome He is. Louie Giglio gives an exhilarating description of the gigantic stars compared to earth.

### 9/24/22 Choosing Your Child's Future

What is the PURPOSE of educating a child? Just to learn academics? Don't ask what kind of education is best, ask what kind of person do you want them to become? Bob Gannage says schools omit God in creation and history. He sold encyclopedias so he could educate his kids himself. RC Sproul, Jr, a home school expert, says home schooling is a joy that produces children who relate well with people of all ages. Ed Gandy built a \$4 million school and hired teachers from his church to give his church kids a Christian education. Brian Schwertley, says, "The greatest commandment is to love the Lord with your MIND."
