ISSUES/PROGRAMS LIST FOR April, May, June 2022

1. ISSUES IN EDUCATION BROADCAST SATURDAY AT 7:30am and 8:00pm

4/2/22 America's Most Radical President

How did America go from being independent to being in debt over \$30 trillion dollars, invaded by over 2 million illegals, and led by an incompetent President? Is the current leadership in Washington just weak and confused or radical and Marxist? Victor Hanson Davis, author of *The Dying Citizen - How Progressive Elites and Globalism are Destroying the Idea of America*, tells how President Trump made America oil independent, reduced the price of oil that crushed Russia's economy and halted their invasion aspirations. Biden's radical policies of open borders and appeasement will give the Republicans an upcoming victory.

4/9/22 Wonder Dogs

God created dogs not just for fun and companionship but to serve and save disabled people. Maureen Maurer, author of *Wonder Dogs-True Stories of Extraordinary Assistance Dogs*, tells of the amazing dog named Freedom who saved the life of Melanie who was trapped under her heavy wheel chair as her house was burning! Freedom not only got the phone but stayed with her even if she was burned to death. The heartwarming stories about dogs selflessly serving disabled people by turning on lights, opening doors, even helping grocery shopping are amazing. God gifted us with dogs to rescue, assist and comfort us.

4/16/22 The Reality of the Resurrection

Most people have no idea of the infinitely high price God paid for their salvation! Pastor Robert Nash, author of *Last Words -7 Sayings From the Heart of Christ on the Cross*, says while Jesus was gasping for every breath, he spoke words filled with hope and compassion. William Frey, author of *The Dance of Hope*, tells how the Resurrection changed life on earth. Death lost its power over us. The disciples became fearless and transformed the world. Professional actor, Bruce Marchiano, dramatically tells how the lifeless body of Jesus, dead for three days, came vibrantly back to life and showed us the new kind of body we will have.

4/23/22 The Beginning of the End

When nuclear Russia and the Muslim nations come against Israel, we are near the end of this age! The super sign of end times is Israel being restored and threatened by a nation from the north. Jimmy Evans, author of *Where Are The Missing People? The Sudden Disappearance of Millions and What Happens Next*, says Russian president Vladimir Putin could be "Gog" in Ezekiel 38. Russia is motivated to invade Israel for their wealth and their recently discovered natural gas. Muslim nations aligned with Russia must invade Israel for their Imam to appear. When Gog attacks Israel, God will destroy his army with burning sulfur

#### 4/30/22 E.M.P.-A Real Threat

What happens when the electrical grid is shut down? Former CIA Director, James Woolsey, says we are very vulnerable to an enemy EMP attack. Mike Maloof, author of *A Nation Forsaken-EMP: The Escalating Threat of An American Catastrophe*, spent 30 years with the Defense Department protecting us from terrorism, and now warns that it's not "if" but "when" an EMP will be exploded over this country. The results will be catastrophic. It's preventable, but our government is ignoring it, so we need to be prepared. A huge solar flare, an EMP, or Radio Frequency weapons are a real threat. What can we do to be prepared?

#### 5/7/22 Crisis in Education

Spiritual forces are turning this free and democratic nation into a socialist even a communist state, and it's being done through the schools. The spiritual war for our future is over schoolchildren. Alex Newman, author of a series of articles in *The New American: Rescuing Our Children*, says there is a deliberate dumbing down of children by using a reading method that's a proven failure producing functional illiterates. Public schools are breaking down the morals of children by confusing them about the gender identity, and bringing drag queens into the classroom under the guise of "career literacy!"

#### 5/14/22 Gender Confusion

The new Supreme Court justice can't define the word "woman" yet will determine Supreme Court cases. Dennis Prager says the confirmation of Judge Jackson will be the decline of our civilization. Judge Ketanji Jackson could not answer when life begins, meaning she has the same ideology as those who legalized child killing in 1973. Michael Gurian, author of *Raising Boys By Design*, says boys learn differently than girls and need to be taught differently. Gov. Ron DeSantis signed legislation to protect grade school kids from being sexualized. Other guests: Lt Gov. Mark Robinson, Pastor Jack Hibbs of Calvary Chino.

#### 5/21/22 Moral Confusion

A new sex ed. curriculum re-defines abstinence to promote perversion as normal. Mat Staver, of Liberty Council says, "Many schools are leading children in to harmful and sometimes deadly sexual experimentation using graphic magazines and videos. The "Advocates for Youth" curriculum promotes abortion over child birth and trains students to be advocates for abortion and homosexuality. Teachers coerce students into participating in the Day of Silence and become activists to support GLSEN and Planned Parenthood." Children would prefer to have their modesty and decency respected than to be embarrassed in class.

#### 5/28/22 Valiant Vets

Although some veterans have gone to help secure Ukraine's border, our commander-in-chief has opened up our borders to illegals! Mark Levin, author of *American Marxism* says, "The greatest crisis of our time is Biden's violation of our immigration laws to change the populace of America. John Steer, author of *Wounded Soldier*, gives fascinating accounts of his experiences in Viet Nam. Gary Horton, a former Army Ranger, who fought for our freedoms, is not given the freedom to speak about his Christian faith in public schools. Schools have re-written our history, banned the flag, and banned the motto and

the pledge.

#### 6/4/22 True or False Conversions?

What does it mean to be a true follower of Jesus Christ? What's a false convert? How can you tell if a child is truly saved? Cuts from the movie *The Atheist Delusion*. Almost 9 out of 10 (88%) of church children lose their faith before high school graduation. What can a parent do to be sure their children keep their faith? Ray Comfort, evangelist and author of *How To Bring Your Child To Christ and Keep Them There*, says, don't give your children a false image of God. Give them a true understanding and view of the God of the Bible not "Santa Claus!" Parents should teach their children the fear of the Lord to resist their temptations.

#### 6/11/22 The End of Roe v Wade pt 1

All the states that banned abortion before *Roe v Wade* had their laws overturned in 1973 in *Roe v Wade*. A woman's choice ends when she becomes a mother. Law professor, Al Parker, President of the Justice Foundation, filed two Amicus Curiae Briefs with the Supreme Court to overturn *Roe*, presented his case with a picture of a woman in her 20s, who had been an in vitro fertilized egg of just 3 cells in a petri dish that had been frozen for several years before born. This is proof that life begins at conception and is not a blob of tissue as believed in 1973 when *Roe* was decided. Abortion isn't undoing a pregnancy, its killing a child.

#### 6/18/22 The End of Roe v Wade pt 2

College students have had abortion legal as birth control but are now confronted with abortion being murder. Most young people have never heard why abortion should be illegal. Ben Shapiro is challenged by students who don't believe a "fetus" is a baby, that abortion should be allowed for rape and incest, and who compare gun violence to abortion. Pastor Jeff Durban gives compelling reasons to the Colorado legislature for the Equal Protection of unborn children. Pastor Jack Hibbs gives a passionate speech repudiating the diabolic Cal. bill to legalize infanticide up to 28 days after birth. Silence is complicity.

#### 6/25/22 Standing Up For Liberty pt 1

Our precious freedoms are not based on government but on God. Freedom isn't appreciated until it's lost. Todd Starnes, a Fox News commentator and author of *Culture Jihad-How to Stop the Left From Killing a Nation*, says, "What's happening in our country is the result of what has happened in schools being run by radicals. Without Biblical values, we are left with chaos." Os Guinness, author of *Last Call for Liberty- How America's Genius Has Become Its Greatest Threat!* said, "Freedom comes from self- government, not external force. As our freedoms end, it's a catastrophe, not just for America, but also for the whole world.
