

## Narrative Statement Regarding Outreach

WLJC has established, maintained, and carried out a positive continuing program of specific practices designed to ensure equal opportunity and nondiscrimination in every aspect of WLJC employment policy and practice. Since the FCC's rules have gone into effect on March 10<sup>th</sup>, 2003, the Station's employment unit has implemented two supplemental outreach activities, as provided by Section 73.2080(c)(2).

During this reporting period, March 21, 2021 – March 20, 2022 there were zero full time job vacancies. WLJC routinely advertises full-time job vacancies on its website [www.wljc.com](http://www.wljc.com) and in the Three Forks Tradition Newspaper, a popular local newspaper. Furthermore, the Station will expand its recruitment efforts by routinely posting job vacancies on various web sites that should reach a broader base of applicants, for example the Kentucky Broadcaster's Association's web site, [www.kba.org](http://www.kba.org).

The station engaged in supplemental outreach activities that help provide information about opportunities in broadcasting in general. For example, the station in conjunction with the Kentucky Higher Education Assistance Authority (KHEAA) participated in a \$1000.00 scholarship program that was designed to supplement one student's higher education opportunity in the broadcast industry. WLJC also partnered with Workforce Innovations & Opportunities Act to implement a broadcast training internship program.
