ARTHUR

Mon-Sat 6:00am (28:46) (CC) (DVS) (DIST.: PBS)

This series is based on the best-selling children's books by Marc Brown. It revolves around an 8-year-old aardvark, his 4-year-old sister DW, and their family and friends. It is a show about being a kid, exploring the world, and finding your place in it. It's about kids finding inner strengths, learning to make choices for themselves, taking responsibility for them and of course, having fun. In each episode, Arthur and his gang guide us through stories that deal with real "kid issues" - timeless difficulties and joys that all kids experience.

CURIOUS GEORGE

Mon-Fri 8:30am (28:46)(DIST.: PBS)

For nearly 65 years, generations of young children have been charmed by the literary adventures of Curious George. Now George is ready for his next big adventure - a TV series on PBS! Based on the bestselling Curious George books by Margret and H.A. Rey, and narrated by William H. Macy, this series expands George's world to include a host of colorful new characters and original locales, while maintaining the charm of the beloved books. Each episode includes two animated stories followed by short live-action pieces showing real kids who are

investigating the ideas that George introduces in his stories. The series aims to inspire kids to explore science, math, and engineering in the world around them.

DANIEL TIGER'S NEIGHBORHOOD

Mon-Fri 9am (28:46)(DIST.: PBS)

An animated series with live-action interstitials. Fred Rogers' original Neighborhood of Make Believe is recreated in vibrant color and texture; his signature puppet Daniel Striped Tiger is transformed into a curious and playful 4-year-old joined by his friends O the Owl, Prince Wednesday, Katerina Kittycat and Miss Elaina. The series curriculum is school-readiness and social-emotional learning, and each preschool themed episode offers a musical strategy for children and parents to use together.

DONKEY HODIE

Mon-Fri 11am (28:46*) (7C) (DVS) (DIST.: PBS)

Donkey Hodie follows the adventures of a little yellow donkey who dreams big. With perseverance, great pals, and a laugh along the way, there's nothing she can't do! Hee-haw!

ELINOR WONDERS WHY

Mon-Fri 12am (28:46*) (7C) (DVS) (DIST.: PBS)

This animated series for preschoolers aims to encourage children to follow their curiosity, ask questions when they don't understand and find answers using science inquiry skills. The main character Elinor, the most observant and curious bunny rabbit in Animal Town, introduces kids ages 3-5 to science, nature and community through adventures with her friends Ari, a funny and imaginative bat, and Olive, a perceptive and warm elephant. As kids explore Animal Town, they meet all kinds of interesting, funny, and quirky characters, each with something to teach us about respecting others, the importance of diversity, caring for the environment, and working together to solve problems.

HERO ELEMENTARY

Mon-Fri 1pm (28:46)(DIST. PBS)

If you're a kid with superpowers, you belong at Hero Elementary! It's where young heroes in training can learn how to master their less-than-perfected powers and practice day-saving action. But when their superpowers aren't enough for the job, they can always rely on an additional arsenal of powers: The Superpowers of Science! These kids may be superhuman, but it's science that makes humans truly super.

MISTER ROGERS' NEIGHBORHOOD

Sat 6am (28:46) (7C)(DIST.: PBS)

Mister Rogers talks in a way young children understand, at a pace they can absorb and with a consistency that creates a calm, safe place for preschoolers. Topics with sensitive emotional concerns are always carefully blended with fun and whimsy to match a young child's interests and level of understanding.

MOLLY OF DENALI

Mon-Sat 7am (28:46)(DIST. PBS)

This series follows the adventures of Molly, a feisty and resourceful Alaska Native girl, as she helps her parents run the Denali Trading Post in their Alaskan village. Viewers are introduced to the rich history and modern-day experience of family life in the heart of the Alaskan tundra through the eyes of Molly, her parents, and her friends. Designed to help kids develop skills around informational text such as using a map and following an instruction manual, this is the first nationally distributed children's series in the U.S. to feature an Alaska Native lead character.

NATURE CAT

Mon-Fri 12:30pm (28:46)(DIST. PBS)

NATURE CAT follows Fred, a house cat who dreams of exploring the great outdoors. In each episode, once his family leaves for the day, Fred transforms into Nature Cat, "backyard explorer extraordinaire." Nature Cat can't wait to get outside for a day of backyard nature excursions and bravery, but there's one problem: He's still a house cat with no instincts for nature. Like many of today's kids, Nature Cat is eager and enthusiastic about

outside activities, but is at times intimidated by them. With the help of his animal friends, Nature Cat embarks on action-packed adventures that include exciting missions full of nature investigation, "aha" discovery moments and humor, all while inspiring children to go outside and "play the show."

ODD SQUAD

Mon-Fri 6:30am (28:46)(DIST. PBS)

ODD SQUAD is a PBS KIDS live-action media property designed to help kids ages 5-8 learn math. The show focuses on two young agents, Olive and Otto, who are part of the Odd Squad, an agency whose mission is to come to the rescue whenever something unusual happens. A math concept is embedded in each of their cases, as Olive and Otto work together to problem-solve and save the day in each episode. ODD SQUAD is created by Tim McKeon (Foster's Home for Imaginary Friends, Adventure Time, The Electric Company) and Adam Peltzman (The Electric Company, The Backyardigans, Wallykazam!) and produced by Sinking Ship Entertainment and The Fred Rogers Company.

PINKALICIOUS & PETERRIFIC

Mon-Fri 11:30am (28:46*) (7C) (DVS)(DIST.: PBS)

based on the best-selling Pinkalicious book series by author Victoria Kann and encourages kids 3-5 to engage in self-expression and the creative arts, covering areas such as music, dance, theater and visual arts.

ROSIE'S RULES

Mon-Fri 9:30am (28:46*) (7C) (DVS) (DIST.: PBS)

Rosie's Rules is an 11-minute preschool family sitcom about a little girl just beginning to learn about the fascinating, baffling, thrilling world beyond her family walls. And it doesn't always go smoothly. In her resilient quest to make sense of the world's most mystifying concepts, she often plows her way into comic chaos. It's "learning-by-doing" and she usually does it a little bit wrong before she gets it right.

SESAME STREET

Mon-Fri 10am (28:46) (DIST.: PBS)

This landmark children's television show turns an important page in its long history of innovation and experimentation, unveiling a significant format alteration - including brand new segments, smoother transitions and a deeper focus on school readiness. "Journey to Ernie," a problem-solving game of hide-and-seek, joins the wildly popular "Elmo's World" as a Sesame Street signature segment. Kids can also expect a daily dose of Big Bird, Cookie Monster and the Count, each of whom will enjoy a more prominent role in 2002. The series delivers academic and social education that prepares kids for grade school.

WILD KRATTS

Mon-Sat 8am (28:46) (7C) (DIST.: PBS)

This series joins the adventures of Chris and Martin Kratt as they encounter incredible wild animals, combining science education with fun and adventure as the duo travels to animal habitats around the globe. Each adventure explores an age-appropriate science concept central to an animal's life and showcases a never-before-seen wildlife moment, all wrapped up in engaging stories of adventure, mystery, rescue, and the Kratt brothers' brand of laugh-out-loud-comedy that kids love.

WORK IT OUT WOMBATS!

Mon-Sat 10:30am (28:46) (7C) (DIST.: PBS)

Work It Out Wombats! follows a playful trio of marsupial siblings -- Malik, Zadie, and Zeke -- who live with their grandmother (named Super!) in a fantastical treehouse apartment complex. The Treeborough is home to a diverse and quirky community of neighbors who just happen to be wombats, snakes, moose, kangaroos, iguanas, fish, tarsiers, and eagles! Each day drops a new challenge into the Wombats' laps, requiring them to find, debug, fix, order (then re-order) -- and create, test, and re-create when things don't go according to plan. But thanks to their creativity and collaborative spirit, their sense of family, and the role they play within the larger Treeborough community -- as problem-solvers, friends, and neighbors -- the Wombats always win the day. With an educational focus on computational thinking, Work It Out Wombats! introduces preschoolers to a way of thinking that enables

10/11/2023 10:00pm, 10/12/2023 4:00am (56:46) (7C) (DIST.: NPS)

2014, Turkey. A normal survey flight over Lake Iznik unexpectedly reveals the sunken remains a 4th century basilica. The discovery prompts scientists to probe the elusive history and geology behind the demise of the church that was built in ancient Nicaea -- now known as Iznik. When was the basilica destroyed? How did the basilica get swallowed up by Lake Iznik? And what happened to its community? Spanning the globe, this investigation follows a world-renowned team in this underwater excavation. Thanks to exclusive access to the site, including critical aerial and underwater cinematography, and spectacular CGI, we time travel through the centuries, back to the Roman and Byzantine time, and at the foundation of Christianity itself.

TO DINE FOR WITH KATE SULLIVAN #407 BETH MOORE - AUTHOR AND BIBLE TEACHER

10/14/2023 2:00pm (26:46) (7C) (DIST.: APTEX)

Beth Moore is an author and bible teacher who started teaching small group bible classes when she was 18. With no former theological training, Beth's bible classes started bringing together 2,000 women in the mid-90s. She is currently one of the most prominent evangelical voices in America and has sold millions of books and holds conferences in sold-out arenas around the country. Over the flavors of her favorite steakhouse in Houston, Taste of Texas, Beth shares her journey from a troubled childhood to one of the leading speakers and authors in evangelical America today and the vision she has for the church in the future.

Mon-Sat 6:00am (28:46) (CC) (DVS) (DIST.: PBS)

This series is based on the best-selling children's books by Marc Brown. It revolves around an 8-year-old aardvark, his 4-year-old sister DW, and their family and friends. It is a show about being a kid, exploring the world, and finding your place in it. It's about kids finding inner strengths, learning to make choices for themselves, taking responsibility for them and of course, having fun. In each episode, Arthur and his gang guide us through stories that deal with real "kid issues" - timeless difficulties and joys that all kids experience.

CURIOUS GEORGE

Mon-Fri 8:30am (28:46)(DIST.: PBS)

For nearly 65 years, generations of young children have been charmed by the literary adventures of Curious George. Now George is ready for his next big adventure - a TV series on PBS! Based on the bestselling Curious George books by Margret and H.A. Rey, and narrated by William H. Macy, this series expands George's world to include a host of colorful new characters and original locales, while maintaining the charm of the beloved books. Each episode includes two animated stories followed by short live-action pieces showing real kids who are investigating the ideas that George introduces in his stories. The series aims to inspire kids to explore science, math, and engineering in the world around them.

DANIEL TIGER'S NEIGHBORHOOD

Mon-Fri 9am (28:46)(DIST.: PBS)

An animated series with live-action interstitials. Fred Rogers' original Neighborhood of Make Believe is recreated in vibrant color and texture; his signature puppet Daniel Striped Tiger is transformed into a curious and playful 4-year-old joined by his friends O the Owl, Prince Wednesday, Katerina Kittycat and Miss Elaina. The series curriculum is school-readiness and social-emotional learning, and each preschool themed episode offers a musical strategy for children and parents to use together.

MOLLY OF DENALI

Mon-Sat 7am (28:46)(DIST. PBS)

This series follows the adventures of Molly, a feisty and resourceful Alaska Native girl, as she helps her parents run the Denali Trading Post in their Alaskan village. Viewers are introduced to the rich history and modern-day experience of family life in the heart of the Alaskan tundra through the eyes of Molly, her parents, and her friends. Designed to help kids develop skills around informational text such as using a map and following an instruction manual, this is the first nationally distributed children's series in the U.S. to feature an Alaska Native lead character.

NATURE CAT

Mon-Fri 12:30pm (28:46)(DIST. PBS)

NATURE CAT follows Fred, a house cat who dreams of exploring the great outdoors. In each episode, once his family leaves for the day, Fred transforms into Nature Cat, "backyard explorer extraordinaire." Nature Cat can't wait to get outside for a day of backyard nature excursions and bravery, but there's one problem: He's still a house cat with no instincts for nature. Like many of today's kids, Nature Cat is eager and enthusiastic about outside activities, but is at times intimidated by them. With the help of his animal friends, Nature Cat embarks on action-packed adventures that include exciting missions full of nature investigation, "aha" discovery moments and humor, all while inspiring children to go outside and "play the show."

ODD SQUAD

Mon-Fri 6:30am (28:46)(DIST. PBS)

ODD SQUAD is a PBS KIDS live-action media property designed to help kids ages 5-8 learn math. The show focuses on two young agents, Olive and Otto, who are part of the Odd Squad, an agency whose mission is to come to the rescue whenever something unusual happens. A math concept is embedded in each of their cases, as Olive and Otto work together to problem-solve and save the day in each episode. ODD SQUAD is created by Tim McKeon (Foster's Home for Imaginary Friends, Adventure Time, The Electric Company) and Adam Peltzman (The Electric Company, The Backyardigans, Wallykazam!) and produced by Sinking Ship Entertainment and The Fred Rogers Company.

WILD KRATTS

Mon-Sat 8am (28:46) (7C) (DIST.: PBS)

This series joins the adventures of Chris and Martin Kratt as they encounter incredible wild animals, combining science education with fun and adventure as the duo travels to animal habitats around the globe. Each adventure explores an age-appropriate science concept central to an animal's life and showcases a never-before-seen wildlife moment, all wrapped up in engaging stories of adventure, mystery, rescue, and the Kratt brothers' brand of laugh-out-loud-comedy that kids love.

WORK IT OUT WOMBATS!

Mon-Sat 10:30am (28:46) (7C) (DIST.: PBS)

Work It Out Wombats! follows a playful trio of marsupial siblings -- Malik, Zadie, and Zeke -- who live with their grandmother (named Super!) in a fantastical treehouse apartment complex. The Treeborhood is home to a diverse and quirky community of neighbors who just happen to be wombats, snakes, moose, kangaroos, iguanas, fish, tarsiers, and eagles! Each day drops a new challenge into the Wombats' laps, requiring them to find, debug, fix, order (then re-order) -- and create, test, and re-create when things don't go according to plan. But thanks to their creativity and collaborative spirit, their sense of family, and the role they play within the larger Treeborhood community -- as problem-solvers, friends, and neighbors -- the Wombats always win the day. With an educational focus on computational thinking, Work It Out Wombats! introduces preschoolers to a way of thinking that enables them to solve problems, express themselves, and accomplish tasks using the practices, processes, and ideas at the core of computer science, laying important groundwork for success in school and life.

XAVIER RIDDLE AND THE SECRET MUSEUM

Mon-Fri 1:30pm (28:46) (7C) (DIST.: PBS)

Inspired by the best-selling kids book series, Ordinary People Change the World, by New York Times bestselling author Brad Meltzer and illustrator Christopher Eliopoulos, XAVIER RIDDLE AND THE SECRET MUSEUM follows the adventures of Xavier, Yadina and Brad as they tackle everyday problems by doing something extraordinary: traveling back in time to learn from real-life inspirational figures like Marie Curie, Harriet Tubman and Jackie Robinson when they were kids. Each adventure will help young viewers make the connection between the skills that made these historical figures heroes and those same qualities within themselves, helping them discover that they, too, can change the world.

CURIOUS GEORGE

Mon-Fri 8:30am (28:46)(DIST.: PBS)

For nearly 65 years, generations of young children have been charmed by the literary adventures of Curious George. Now George is ready for his next big adventure - a TV series on PBS! Based on the bestselling Curious George books by Margret and H.A. Rey, and narrated by William H. Macy, this series expands George's world to include a host of colorful new characters and original locales, while maintaining the charm of the beloved books. Each episode includes two animated stories followed by short live-action pieces showing real kids who are investigating the ideas that George introduces in his stories. The series aims to inspire kids to explore science, math, and engineering in the world around them.

DANIEL TIGER'S NEIGHBORHOOD

Mon-Fri 9am (28:46)(DIST.: PBS)

An animated series with live-action interstitials. Fred Rogers' original Neighborhood of Make Believe is recreated in vibrant color and texture; his signature puppet Daniel Striped Tiger is transformed into a curious and playful 4-year-old joined by his friends O the Owl, Prince Wednesday, Katerina Kitty-cat and Miss Elaina. The series curriculum is school-readiness and social-emotional learning, and each preschool themed episode offers a musical strategy for children and parents to use together.

DONKEY HODIE

Mon-Fri 11am (28:46*) (7C) (DVS) (DIST.: PBS)

Donkey Hodie follows the adventures of a little yellow donkey who dreams big. With perseverance, great pals, and a laugh along the way, there's nothing she can't do! Hee-haw!

ELINOR WONDERS WHY

Mon-Fri 12am (28:46*) (7C) (DVS) (DIST.: PBS)

This animated series for preschoolers aims to encourage children to follow their curiosity, ask questions when they don't understand and find answers using science inquiry skills. The main character Elinor, the most observant and curious bunny rabbit in Animal Town, introduces kids ages 3-5 to science, nature and community through adventures with her friends Ari, a funny and imaginative bat, and Olive, a perceptive and warm elephant. As kids explore Animal Town, they meet all kinds of interesting, funny, and quirky characters, each with something to teach us about respecting others, the importance of diversity, caring for the environment, and working together to solve problems.

HERO ELEMENTARY

Mon-Fri 1pm (28:46)(DIST. PBS)

If you're a kid with superpowers, you belong at Hero Elementary! It's where young heroes in training can learn how to master their less-than-perfected powers and practice day-saving action. But when their superpowers aren't enough for the job, they can always rely on an additional arsenal of powers: The Superpowers of Science! These kids may be superhuman, but it's science that makes humans truly super.

MISTER ROGERS' NEIGHBORHOOD

Sat 6am (28:46) (7C)(DIST.: PBS)

Mister Rogers talks in a way young children understand, at a pace they can absorb and with a consistency that creates a calm, safe place for preschoolers. Topics with sensitive emotional concerns are always carefully blended with fun and whimsy to match a young child's interests and level of understanding.

MOLLY OF DENALI

Mon-Sat 7am (28:46)(DIST. PBS)

This series follows the adventures of Molly, a feisty and resourceful Alaska Native girl, as she helps her parents run the Denali Trading Post in their Alaskan village. Viewers are introduced to the rich history and modern-day experience of family life in the heart of the Alaskan tundra through the eyes of Molly, her parents, and her friends. Designed to help kids develop skills around informational text such as using a map and following an instruction manual, this is the first nationally distributed children's series in the U.S. to feature an Alaska Native lead character.

NATURE CAT

Mon-Fri 12:30pm (28:46)(DIST. PBS)

NATURE CAT follows Fred, a house cat who dreams of exploring the great outdoors. In each episode, once his family leaves for the day, Fred transforms into Nature Cat, "backyard explorer extraordinaire." Nature Cat can't wait to get outside for a day of backyard nature excursions and bravery, but there's one problem: He's still a house cat with no instincts for nature. Like many of today's kids, Nature Cat is eager and enthusiastic about outside activities, but is at times intimidated by them. With the help of his animal friends, Nature Cat embarks on action-packed adventures that include exciting missions full of nature investigation, "aha" discovery moments and humor, all while inspiring children to go outside and "play the show."

ODD SQUAD

Mon-Fri 6:30am (28:46)(DIST. PBS)

ODD SQUAD is a PBS KIDS live-action media property designed to help kids ages 5-8 learn math. The show focuses on two young agents, Olive and Otto, who are part of the Odd Squad, an agency whose mission is to come to the rescue whenever something unusual happens. A math concept is embedded in each of their cases, as Olive and Otto work together to problem-solve and save the day in each episode. ODD SQUAD is created by Tim McKeon (Foster's Home for Imaginary Friends, Adventure Time, The Electric Company) and Adam Peltzman (The Electric Company, The Backyardigans, Wallykazam!) and produced by Sinking Ship Entertainment and The Fred Rogers Company.

ROSIE'S RULES

Mon-Fri 9:30am (28:46*) (7C) (DVS) (DIST.: PBS)

Rosie's Rules is an 11-minute preschool family sitcom about a little girl just beginning to learn about the fascinating, baffling, thrilling world beyond her family walls. And it doesn't always go smoothly. In her resilient quest to make sense of the world's most mystifying concepts, she often plows her way into comic chaos. It's "learning-by-doing" and she usually does it a little bit wrong before she gets it right.

SESAME STREET

Mon-Fri 10am (28:46) (DIST.: PBS)

This landmark children's television show turns an important page in its long history of innovation and experimentation, unveiling a significant format alteration - including brand new segments, smoother transitions and a deeper focus on school readiness. "Journey to Ernie," a problem-solving game of hide-and-seek, joins the wildly popular "Elmo's World" as a Sesame Street signature segment. Kids can also expect a daily dose of Big Bird, Cookie Monster and the Count, each of whom will enjoy a more prominent role in 2002. The series delivers academic and social education that prepares kids for grade school.

WILD KRATTS

Mon-Sat 8am (28:46) (7C) (DIST.: PBS)

This series joins the adventures of Chris and Martin Kratt as they encounter incredible wild animals, combining science education with fun and adventure as the duo travels to animal habitats around the globe. Each adventure explores an age-appropriate science concept central to an animal's life and showcases a never-before-seen wildlife moment, all wrapped up in engaging stories of adventure, mystery, rescue, and the Kratt brothers' brand of laugh-out-loud-comedy that kids love.

diverse and quirky community of neighbors who just happen to be wombats, snakes, moose, kangaroos, iguanas, fish, tarsiers, and eagles! Each day drops a new challenge into the Wombats' laps, requiring them to find, debug, fix, order (then re-order) -- and create, test, and re-create when things don't go according to plan. But thanks to their creativity and collaborative spirit, their sense of family, and the role they play within the larger Treeborhood community -- as problem-solvers, friends, and neighbors -- the Wombats always win the day. With an educational focus on computational thinking, Work It Out Wombats! introduces preschoolers to a way of thinking that enables them to solve problems, express themselves, and accomplish tasks using the practices, processes, and ideas at the core of computer science, laying important groundwork for success in school and life.

XAVIER RIDDLE AND THE SECRET MUSEUM

Mon-Fri 1:30pm (28:46) (7C) (DIST.: PBS)

Inspired by the best-selling kids book series, Ordinary People Change the World, by New York Times bestselling author Brad Meltzer and illustrator Christopher Eliopoulos, XAVIER RIDDLE AND THE SECRET MUSEUM follows the adventures of Xavier, Yadina and Brad as they tackle everyday problems by doing something extraordinary: traveling back in time to learn from real-life inspirational figures like Marie Curie, Harriet Tubman and Jackie Robinson when they were kids. Each adventure will help young viewers make the connection between the skills that made these historical figures heroes and those same qualities within themselves, helping them discover that they, too, can change the world.
