

## Outreach Summary for Feb 1, 2014- January 31, 2015

### **February 4, 2014**

#### **Career Connections, Lafayette, LA, Cajundome**

In the past 15 years more than 60,000 tenth grade student from Lafayette, Iberia, Vermilion, and Lafayette parishes have benefitted from this event.

Post-event survey data results from both teachers and students at the conclusion of the Career Connections Expo concluded the following:

- Teachers believe that students who participated in this program recognize the various career choice opportunities available to them in the today's workforce and the level of skill mastery required by students who select career specific to their choice.
- Students have a better understanding of the career path that they feel will lead them to graduate from high school and seek a post secondary degree.
- Tenth grade students who participated in Career Connections were more likely to remain in high school and graduate from their respective high schools.
- Teachers believe that students who participated in this program will remain in high school and receive their high school diploma.

In attendance for KAJN FM 102.9 and KAJN TV 40.1, KAGN TV 31, KFAM TV 14.1 were David Thompson and Karen Bailey

### **February 18, 2014**

#### **University of Louisiana-Lafayette Spring 2014 Career Fair**

This Career Fair is open to all students and graduates of the ULL. Among the many participants there were 8 participants that stop to seriously inquire about Agape Broadcasters. Most were underclassmen looking for internships for the summer. 3 were recent graduates looking for fulltime employment, though none were really interested in moving to Lake Charles.
