LAWRENCE UNIVERSITY, d/b/a/ NORTH COUNTRY PUBLIC RADIO**, a New York not for profit corporation (“Programmer”) (each a “Party” and, collectively, the “Parties”).

RECITALS

WHEREAS, Licensee owns all of the assets of commercial radio station WNYV(FM), Whitehall, New York, FCC Facility ID Number 52637, including those licenses, permits and authorizations issued by the Federal Communications Commission (“FCC”) (the “Station”); and

WHEREAS, Licensee and Programmer have entered into that certain Asset Purchase Agreement, dated October 31, 2023 (the “APA”), pursuant to which Licensee has agreed to sell and Programmer has agreed to purchase the Station and related assets.

WHEREAS, Programmer desires, in conformity with the rules and policies of the FCC and this Agreement, to produce and present programming over the Station (the “Programming”); and

WHEREAS, Licensee desires to accept the Programming produced by Programmer and to make broadcasting time on the Station available to Programmer on terms and conditions which conform to FCC rules and policies and to this Agreement; and

WHEREAS, Licensee and Programmer believe that the Station’s broadcast of the Programming will serve the needs and interests of the Station’s listeners.

NOW, THEREFORE, taking the foregoing into account, and in consideration of the mutual covenants and agreements set forth herein, the sufficiency of which is hereby acknowledged, the Parties, intending to be legally bound, hereby agree to the following terms and conditions:

ARTICLE 1 USE OF AIR TIME

1.1. Scope. Beginning on November, 13, 2023 (hereinafter “Commencement Date”), Licensee shall make available to Programmer substantially all the Station’s air time, subject to the exceptions set forth in this Agreement, for broadcast of the Programming. The Programming shall consist of entertainment programming of Programmer’s selection, together with commercial matter, news, public service announcements, and other suitable programming for broadcast on the Station. Notwithstanding the foregoing, it is understood that Licensee may set aside such time as it may require (up to eight hours per week) during the hours of midnight to 6 a.m. Monday

through Saturday and midnight to 9 a.m. Sunday, for the broadcast of its own regularly scheduled news, public affairs, and other programming (such programs to be broadcast by Licensee are referred to herein as the “Licensee Programming”).

1.2. Term. This Agreement shall commence on the Commencement Date and, unless earlier terminated pursuant to the terms hereof, shall terminate upon the consummation of the assignment transaction contemplated in the APA, or ninety (90) days after the termination or expiration of the APA pursuant to its terms.

1.3. Monthly Fee. Programmer shall pay to Licensee, commencing on November 13, 2023, and during every month during the Term thereafter, a monthly payment of FIVE HUNDRED DOLLARS (each such payment, and collectively, the “LMA Fee”). Each monthly payment of the LMA Fee shall be payable in advance and due on the fifteenth (15th) day of the calendar month, and shall be prorated, if necessary, for any partial month. In addition, the Programmer shall reimburse Licensee for the Operating Expenses set forth in Section 2.1.

ARTICLE 2 OPERATION

2.1. Licensee’s Responsibilities.

(a) Operating Expenses. Licensee shall be responsible for the payment when due of all fees and expenses directly relating to the operation and/or maintenance of the Station as necessary for Licensee to maintain the licensed transmitting capability of the Station and to fulfill its obligations as an FCC licensee, including, but not limited to, (i) any ASCAP, BMI, SESAC, GMR, Sound Exchange and other copyright fees associated with the delivery of Licensee’s Programming, (ii) any expenses incurred in connection with the sale of advertising time hereunder in connection with the delivery of Licensee’s Programming (including, without limitation, sales commissions), (iii) any utility payments for the towers and transmitters used in the operation of the Station, (iv) any rent and other payments for equipment used by Licensee in the operation of the Station, (v) FCC regulatory fees, and (vi) salaries, taxes, insurance, and all other costs related to all personnel it deems necessary to (a) fulfill its obligations as Licensee, (b) transmit Licensee’s Programming, and (c) deliver any other Programming, and (vii) all liabilities and obligations under all contracts to which the Licensee is a party relating to the business and operations of the Station, except for the Assumed Liabilities as defined in Section 2.3 (collectively, the “Operating Expenses”). Programmer shall reimburse Licensee for the Operating Expenses in accordance with Schedule 2.1 hereto.

(b) Studios / Transmission Site. To facilitate the production of Programming for the Station, Licensee shall permit Programmer and its employees to utilize such space and such equipment at the Station’s studios and transmission site as it may reasonably request; provided that all such activity shall be conducted by Programmer under the full supervision and authority of Licensee.

(c) Licensee Oversight and Control. Without limitation to Section 3.1, Licensee shall engage its own personnel who shall report to and be accountable solely to Licensee and who shall be responsible for overseeing the operation and programming of the Station

(a) Programming Expenses. Programmer shall pay for all costs associated with the production, development, promotion, and delivery of the Programming, including, but not limited to, (i) all ASCAP, BMI, SESAC, GMR, Sound Exchange (if it streams its signal) and other copyright fees associated with delivery of the Programming, (ii) any expenses incurred in connection with its sale of advertising time hereunder (including, without limitation, sales commissions) in connection with the Programming, and (iii) the salaries, taxes, insurance, and related costs for all personnel used in the production of the Programming and all sales personnel (including salespeople, traffic personnel, and programming staff).

(b) Programmer's Personnel. Programmer shall employ and be responsible for the salaries, taxes, insurance, and related costs and expenses for all personnel used in connection with the production, acquisition, licensing, provision, delivery, and promotion of the Programming.

(c) Licensee's Equipment and Facilities. Programmer shall use due care in the use of all equipment and other property of Licensee. Programmer shall reimburse Licensee for any damage (normal wear and tear excepted) to Licensee's equipment, studios, or other facilities caused by Programmer or any employee, contractor, agent or guest of Programmer. Such reimbursement shall be made within three (3) days of Licensee's written notice to Programmer of the cost of such damage.

(d) Insurance. Programmer shall maintain broadcasters' liability and error and omissions insurance policies covering libel, slander, invasion of privacy, intellectual property infringement, regulatory compliance, and other risks customary in the broadcast industry, in forms and with coverage amounts reasonably satisfactory to Licensee, and Programmer shall name Licensee as an additional insured under such policies. On or before execution of this Agreement, Programmer shall provide Licensee with evidence of such insurance maintained by Programmer. Programmer shall provide not less than thirty (30) days' prior written notice to Licensee prior to any termination or modification of any such insurance policies.

2.3. Apportionment of Income and Expenses. Licensee shall be entitled to all income attributable to, and shall be responsible for all expenses arising out of, the operation of the Station until 12:01 a.m. on the Commencement Date. Programmer shall be entitled to all income

attributable to, and shall be responsible for (or shall reimburse Licensee for) all expenses arising out of, the operation of the Station after 12:01 a.m. on the Commencement Date. All overlapping items of income or expense shall be prorated or reimbursed, as the case may be, as of 12:01 a.m. on the Commencement Date. Effective as of the Commencement Date, Programmer shall assume all obligations of Licensee under any contract for the broadcast of advertising or programming over the Station (the “Assumed Liabilities”).

ARTICLE 3 COMPLIANCE WITH REGULATIONS AND POLICIES

3.1. Certifications and Licensee Authority. At all times during the Term of this Agreement, Programmer shall comply in all material respects with all applicable federal, state, and local laws, rules, and regulations, including, but not limited to, the FCC rules. Licensee certifies that Licensee maintains ultimate control over the Station’s facilities, including, specifically, control over the Station’s finances, personnel, and programming, and Programmer certifies that this Agreement complies with the provisions of Section 73.3555 of the FCC rules. Notwithstanding any provision of this Agreement to the contrary, Licensee shall retain full authority and power with respect to the operation of the Station during the Term and may take any and all steps necessary to faithfully and continuously do so throughout the Term. The Parties agree and acknowledge that Licensee’s continued control of the Station is an essential element of the continuing validity and legality of this Agreement. Licensee shall retain full authority and control over the policies, programming, and operations of the Station, including, without limitation, the decision whether to preempt programming in accordance with Section 3.3 hereof. Licensee shall have full responsibility to effectuate compliance with the FCC rules, regulations, and policies.

3.2 FCC Compliance. The Programming shall comply, and Programmer shall cooperate with Licensee in complying, with the FCC rules and all other applicable laws. Programmer shall immediately notify Licensee in the event there is a question concerning whether the Programming or its operation of the Station will fail to comply with any FCC rules. Without limiting the foregoing:

(a) Political Broadcasts. Programmer shall cooperate with Licensee and adhere to all applicable FCC rules with respect to the broadcast of political advertisements and programming (including, without limitation, the rights of candidates, as appropriate, and to the equal opportunity provisions of the FCC rules) and the charges permitted therefor. Programmer shall maintain and promptly provide to Licensee all records and information required by the FCC rules to be placed in the Station’s online public inspection file pertaining to the broadcast of political programming and advertisements and to the broadcast of sponsored programming addressing political issues or controversial subjects of public importance, in accordance with the provisions of Sections 73.1943 and 73.3526 of the FCC rules.

(b) Handling of Communications. Programmer shall cooperate with Licensee in promptly responding to all mail, email, facsimiles, telephone calls, complaints, inquires or other correspondence directed to the Station in connection with the Programming. Programmer shall provide copies of all such correspondence to Licensee. Upon Licensee's request, Programmer shall broadcast material responsive to such matters or inquires. Notwithstanding the foregoing, Licensee shall handle all matters or inquiries relating to FCC complaints and any other matters required to be handled by Licensee under the FCC rules.

(c) Payola and Plugola. Programmer agrees that it will use its best efforts, including a system for periodic execution of affidavits, reasonably designed to assure that neither it nor its employees or agents will accept any gift, gratuity, or other consideration, directly or indirectly, from any person or company for the presentation of any programming, or the broadcast of any commercial announcement over the Station without reporting the same to the management of Licensee and without such broadcast being announced as sponsored. It is further understood and agreed that no commercial message, plugs, or undue reference shall be made in Programming to any business venture, profit-making activity, or other interest (other than non-commercial announcements for bona fide charities, church activities, or other public service activities) without the same having been approved by the management of Licensee and said broadcast being announced as sponsored.

(d) Nondiscrimination Policy. Programmer agrees that it will not discriminate in advertising contracts on the basis of race or ethnicity. Any provision in any order or agreement for advertising on the Station that purports to discriminate on the basis of race or ethnicity, even if handwritten, typed, or otherwise made a part of a particular contract, shall be deemed rejected and void. Programmer shall include on advertising contracts and/or written agreements for the sale of advertising on the Station a clause stating that it does not discriminate on the basis of race or ethnicity.

(e) Station's Identification. During the Term, Licensee will retain all rights to the call letters of the Station or any other call letters which may be assigned by the FCC for use by the Station. Programmer shall include in the Programming it delivers for broadcast an announcement at the beginning of each hour of such Programming to identify such call letters, as well as any other announcements required by the FCC rules.

(f) EAS Tests. If an Emergency Alert System ("EAS") test or alert is received during the Programming, Programmer shall cause the appropriate EAS test or alert message to be delivered to Licensee to be transmitted over the Station and shall, in the event of an actual activation of the Emergency Alert System, cause all steps that the Station is required to take in such an event to be taken with respect to the Station.

3.3 Compliance with Program Policies. All Programming delivered by Programmer and all programming supplied by Licensee during the Term of this Agreement shall comply with the programming policies set forth on Schedule 3.3 (“Program Policies”). Licensee reserves the right to refuse to broadcast any Programming containing matter that Licensee reasonably believes is not in the public interest or that may violate the right of any third party, or that Licensee reasonably determines is, or in the reasonable opinion of Licensee may be deemed to be, indecent (and not broadcast during the safe harbor for indecent programming established by the FCC) or obscene by the FCC or any court or other regulatory body with authority over Licensee or the Station. If Programmer does not adhere to the Program Policies or the FCC rules, Licensee, upon written notice to Programmer, may suspend or cancel any specific program not so in compliance, without any reduction or offset in the payments due Licensee under this Agreement.

3.4. Access to Information. Programmer shall furnish to Licensee upon request any information that is reasonably necessary to enable Licensee to confirm Programmer’s compliance with the FCC rules and Program Policies, or to prepare any records or reports required by the FCC or other governmental entities.

ARTICLE 4
INDEMNIFICATION; LIMITATION ON LIABILITY

4.1 Indemnification. Each Party (the “Indemnifying Party”) shall indemnify, defend and hold harmless the other Party, its parents, affiliates and subsidiaries, and its and their officers, directors, shareholders, members, managers, employees and agents, from and against any losses, settlements, claims, actions, suits, proceedings, judgments, awards, forfeitures, fines, liabilities, costs and expenses (including reasonable attorneys’ fees) resulting from or as a result of (a) any negligent or more culpable act or omission of the Indemnifying Party in connection with the performance of its obligations or exercise of its rights under this Agreement; (b) any breach of this Agreement by the Indemnifying Party; (c) the Programming (in the case of Programmer as the Indemnifying Party); or (d) the Licensee Programming (in the case of Licensee as the Indemnifying Party).

4.2 Limitation on Liability.

(a) EXCEPT AS OTHERWISE PROVIDED IN SECTION 4.2(c), IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER OR TO ANY THIRD PARTY FOR ANY LOSS OF USE, REVENUE OR PROFIT OR FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL OR PUNITIVE DAMAGES WHETHER ARISING OUT OF BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, REGARDLESS OF WHETHER SUCH DAMAGE WAS FORESEEABLE AND WHETHER OR NOT SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

(b) EXCEPT AS OTHERWISE PROVIDED IN SECTION 4.2(c), IN NO EVENT SHALL LICENSEE’S LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT, WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, EXCEED THE AGGREGATE AMOUNTS PAID TO LICENSEE PURSUANT TO THIS AGREEMENT.

(c) The exclusions and limitations in Section 4.2(a) and Section 4.2(b) shall not apply to:

(i) a Party’s indemnification obligations with respect to third-party claims or actions of the FCC or other governmental authority under Section 4.1;

(ii) damages or other liabilities arising out of or relating to a Party's gross negligence, willful misconduct or intentional acts; and

(iii) death or bodily injury or damage to real or tangible personal property resulting from a Party's negligent acts or omissions.

ARTICLE 5 TERMINATION

5.1 Mutual Agreement. This Agreement may be terminated at any time by mutual agreement of the Parties hereto.

5.2 Termination by Licensee or Programmer. This Agreement may be terminated by Licensee or Programmer, by written notice to the other, upon the occurrence of any of the following events; *provided* that any such termination shall be effective as of the date ten (10) days after such notice:

(a) this Agreement has been declared invalid under applicable law or illegal in whole or substantial part by an order or decree of an administrative agency or court of competent jurisdiction which is not subject to appeal or further administrative or judicial review, and the Parties, acting in good faith, are unable to agree upon a modification of the Agreement so as to cause the Agreement to comply with applicable law; or

(b) there has been a change in the FCC rules that causes this Agreement in its entirety to be in violation thereof and the applicability of such change is not subject to appeal or further administrative review; and the Parties, acting in good faith, are unable to agree upon a modification of the Agreement so as to cause the Agreement to comply with the FCC rules as so changed.

5.3 Termination by Programmer. This Agreement may be terminated by Programmer, by written notice to Licensee, upon the occurrence of any of the following events:

(a) if Programmer is not then in material breach and Licensee is in material breach under this Agreement and Licensee has failed to cure such breach within twenty (20) days after receiving written notice of such breach from Programmer; or

(b) if Licensee or any affiliate of Licensee makes a general assignment for the benefit of creditors, files, or has filed against it, a petition for bankruptcy, reorganization or an arrangement for the benefit of creditors, or for the appointment of a receiver, trustee, or similar creditor's representative for the property or assets of Licensee or any affiliate of Licensee under any federal or state insolvency law which, if filed against Licensee or any affiliate of Licensee, has not been dismissed within thirty (30) days thereof;

5.4 Termination by Licensee. This Agreement may be terminated by Licensee, by written notice to Programmer, as expressly provided in this Agreement or upon the occurrence of any of the following events:

(a) if Licensee is not then in material breach and Programmer is in material breach under this Agreement and Programmer has failed to cure such breach within twenty (20) days after receiving written notice of such breach from Licensee; or

5.5 Certain Matters upon Termination. Section 3.4, Article 4, Section 5.5, and Article 7 shall survive the expiration or termination of this Agreement, and the expiration or termination of this Agreement will not limit or impair either Party's rights to receive payments due and owing hereunder on or before the effective date of such termination.

ARTICLE 6 MISCELLANEOUS

6.1 Successors and Assigns. Neither Party may assign this Agreement without the prior written consent of the other Party hereto. The terms of this Agreement shall bind and inure to the benefit of the Parties' respective successors and any permitted assigns, and no assignment shall relieve either Party of any obligation or liability under this Agreement.

6.2 Force Majeure. No Party shall be liable to the other for any default or delay in the performance of its non-monetary obligations under this Agreement to the extent that the default or delay is caused by an event outside of its reasonable control, including without limitation fire, flood, earthquake, war, act of terrorism, labor dispute, government or court action (except with respect to bankruptcy or insolvency proceedings), failure of facilities or act of God.

6.3 Unenforceability. If one or more provisions of this Agreement or the application thereof to either Party or circumstances, shall be invalid or unenforceable to any extent, the remainder of this Agreement and the application of such provisions to other Parties or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by applicable law, except that, if such invalidity or unenforceability should change the basic economic positions of the Parties hereto, they shall negotiate in good faith such changes in other

terms as shall be practicable in order to restore them to their prior positions. In the event that the FCC alters or modifies its rules or policies in a fashion which would raise substantial and material questions as to the validity of any provision of this Agreement, the Parties shall negotiate in good faith to revise any such provision of this Agreement, as applicable, in an effort to comply with all applicable FCC rules while attempting to preserve the intent of the Parties as embodied in the provisions of this Agreement. The Parties hereto agree that, upon the request of either of them, they will join in requesting the view of the staff of the FCC, to the extent necessary, with respect to the revision of any provision of this Agreement in accordance with the foregoing.
