Re: Children's Programming Certification

Dear Nisha:

This letter is in connection with the Children's Television Act (the "Act") of 1990 and the requirement under FCC regulations that cable television systems maintain records sufficient to determine whether they are in compliance with the commercial content restrictions of the Act for "children's programming" which is defined as "programs originally produced and broadcast primarily for an audience of children 12 years old and younger."

As requested, this will confirm that for the second quarter of 2017, Game Show Network, LLC certifies that the GSN Network is in compliance with the commercial content restrictions of the Act.
