As a standard practice, we formatted and aired each of the children's programs and series identified bellow so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), (the "Regulations").

None of the following programs or series included any commercial spots (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) that contained references to, characters or actors from, or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by Muzak LLC as the official responsible for oversight of compliance with the FCC children's programming commercial limits, and I am familiar with the Regulations.

No children's programs were run during the immediately prior calendar quarter.

I hereby declare under penalty of perjury that the forgoing is true and correct.
