Dear Mr. Arrigoitia:

I am in receipt of your letter, dated September 27, 2011, regarding retransmission consent for a senior living community in Milford, CT. Although I am befuddled why your organization would think it reasonable to want to withhold its' service from a large group of senior citizens who have lived and worked their entire lives paying taxes that have subsidized broadcast television systems like yours, I do not believe that you have addressed the correct party.

DirecTV is the service provider for the community in question. Digital Media installed and maintains the television system at the community. I will forward your notification to both the community and the DirecTV legal department. It is my understanding that DirecTV has agreements with each of the national broadcast organizations that cover each local market for these types of communities. The association of senior citizens that live at the community in question may provide a direct response to you as well.

Best regards,

Tim Donnelly

Re: Election of Retransmission Consent Status

Dear Sir or Madam:

Entravision Communications Corporation, parent company of Entravision Holdings, LLC ("Licensee"), the licensee of television station WUVN-TV, Hartford, CT (the "Station"), located in the HARTFORD & NEW HAVEN DMA, hereby gives notice to DIGITAL MEDIA-ADS that, pursuant to Section 325(b)(3)(B) of the Communications Act and Section 76.64(f)(2) of the FCC's Rules, Entravision elects on behalf of Licensee to assert its right, under Section 325(b)(1)(A) of the 1992 Act and Section 76.64(a) of the FCC's rules, to have the broadcast signal of the Station carried on your cable system(s) in our defined market only if we have provided our express written consent. Accordingly, your cable system(s) (or other video distribution system(s)) may not retransmit the broadcast signal of the Station, or any portion(s) thereof, without obtaining Entravision's express written consent. This election of retransmission consent is for the period January 1, 2012 through December 31, 2014.

We have made arrangements with Univision Communications Inc. for it to represent us in retransmission negotiations on behalf of the Station, which is an affiliate of the Univision or TeleFutura network. Any Station correspondence regarding retransmission consent matters should be addressed to Jason Eanes at 605 Third Avenue, 32nd Floor, New York, NY 10158, phone number (212) 455-5333. Our representatives at Univision will contact your corporate office to discuss the terms of retransmission consent for the Station. If there is a particular person or team, other than your corporate office, charged with handling retransmission consent discussions for this cable television system, please advise our representative named above and we will be happy to ensure that person is contacted accordingly.

Please note that you may receive more than one communication from the Station concerning our election of retransmission consent for the system(s). This possible duplication of letters simply reflects our efforts to ensure that this notice reaches the appropriate party at your system(s).

If you have any questions concerning this election please do not hesitate to contact me at (860) 278-1818. Our partnerships with the cable systems are very important to us. We look forward to an ongoing and mutually beneficial relationship with your company.

Very truly yours,

Ulysses Arrigoitia
VP/General Manager
