**CHILDREN'S PROGRAMMING CERTIFICATION**

**4<sup>th</sup> Quarter (October 1<sup>st</sup> to December 31st, 2018)**

This is to certify that the list set forth below identifies all programs and series aired by **24H** during the above-referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), (the "Regulations").

None of the following programs or series included any commercial spots (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) that contained references to, characters or actors from, or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by **24H** as the official responsible for oversight of compliance with the FCC children's programming commercial limits, and I am familiar with the Regulations.

[List children's programs run during calendar quarter]

I hereby declare under penalty of perjury that the foregoing is true and correct.

Children's TV Act

The Children's Television Act of 1990 (the "Act") and the FCC's regulations pursuant thereto require that cable and certain other television systems maintain records sufficient to determine whether they are in compliance with the commercial content restrictions of the Act with respect to "children's programming."

**Re: Children's Programming Certification**

Dear Nisha:

This letter is in connection with the Children's Television Act of 1990 and the requirement under FCC regulations that cable television systems maintain records sufficient to determine whether they are in compliance with the commercial content restrictions of the Act for "children's programming" which is defined as "programs originally produced and broadcast primarily for an audience of children 12 years old and younger."

As requested, this will confirm that for the fourth quarter of 2018, Game Show Network, LLC certifies that the GSN Network is in compliance with the commercial content restrictions of the Act.
