SEGMENT 1: GAINING A GREATER UNDERSTANDING OF MILITARY EXPERIENCE

Time

Duration

Synopsis:

There are close to two million Americans serving in the U.S. Armed Forces, according to 2021 data from the Department of Defense. The U.S. is considered to have the world's strongest military, yet many Americans are disconnected from this subject of American culture. We speak with two experts about why this is and how the gap can be bridged between civilians and those who serve.
