

## QUARTERLY PROGRAMS AND ISSUES REPORT

January 1, 2013

Following are some of the issues addressed during the past quarter:

1. Joys and Challenges of Adoption
2. The Demand of Information Technology on the Nation's Energy Supply
3. Teaching Kids about the Meaning of Christmas
4. Gun Control Issues in Light of the Connecticut Massacre
5. Implications of Resurging Wildlife Populations
7. Building New Relationships for the Broken Hearted
8. Implications of Federal Land Acquisition and Management
9. Turning Waste into Liquid Fuel
10. Potential Effects of a Carbon Tax

During the past three months KBGN has presented programs dealing with a variety of current international, national and community events and needs in an effort to assist listeners toward a better understanding of issues and resolution of problems. The following programs are among those which are regularly directed toward that end:

*Family News in Focus* – 5 minutes daily

*Focus on the Family* – 1/2 hour twice daily (various family and moral issues)

*Pacific Northwest Outreach* – 15 minutes Sunday (American Indian concerns)

*Joni and Friends* – 5 minutes daily (issues of the handicapped)

*Just the Facts* – 1 minute daily (various scientific advancement issues)

*Haven* – 26 minutes daily

*Liberty Minute* – 90 seconds twice daily (current freedom issues)

*People to People* – 30 minutes daily (live counseling)
