**2023: Fourth Quarter**

**KWSU-TV since 1962**

During Quarter 4 of 2023, special events took place in the community, reflected by the broadcast logs on the following pages.

Themes for Q4 were local elections, Native American Heritage, Buffalo, and Holidays. NWPB also launched the “Most Impactful stories of 2023” for the new Weekly News Now series launching in January 2024.

- In October, KWSU ran announcements for the Ken Burn’s *American Buffalo* events taking place on the Palouse, Walla Walla and Tri-Cities. These announcements highlighted the history of buffalo in the region and served as an invitation to have a conversation around the way our home has been shaped by decisions impacting buffalo. The events were very well attended and were standing room only on some nights.
  - To complement these events, NWPB produced and aired two major pieces to integrate national and local history.
    - One piece followed the management of a Yakama nation buffalo herd.  
(Title: Buffalo\_Yakama)
    - The other followed a Colville-Umatilla family who advocates for and conserves land to support tribal food sovereignty  
(Title: Buffalo\_Reciprocity)
- For November and *Native American Heritage Month*, in addition to the Buffalo-themed productions listed above, two more Muckleshoot videos, adding onto the first from Q3, were added centering around cultural sharing.
  - Muckleshoot: How Gift Giving
  - Muckleshoot: Smoking Salmon
  - Muckleshoot: Journey to Becoming a Weaver
  - Muckleshoot: Huckleberries.
- For December, there was a focus on the *Craft in America* show relating to holidays, including Christmas in a variety of cultures, Hanukkah and Kwanzaa. Several special programs were also aired, including *7 Lives of Music*, *the Kanneh Mason Family*, *A Christmas Carol Gone Wrong*, *Roald & Beatrix: The Tale of Curious Mouse*, *Urban Nutcracker*, *The Nutcracker and the Mouse King*, *Karamu: Feast for the 7<sup>th</sup> Day*, *Leonard Bernstein’s Kaddish Symphony*, and more performances from around the world of Classical music, choirs, and orchestras.

Additional NWPB programming that aired in Q4:

Other local evergreen interstitials that are:

- *Ask Dr. Universe*, a production of NWPB, addresses questions from kids, answered by scientists and the cat, Dr. Universe.
- *Access NW*, produced by NWPB, people, places, and history of the Northwest.
- *Of All Ages* is a new NWPB production about cross-generational talks and advice.
- *Hanford History*: stories produced by NWPB with the Hanford History Project about the Hanford Nuclear Site in Eastern WA.
- *Traverse Talks with Sueann Ramella*, produced by NWPB, the audio excerpts with graphics imposed cover a range of topics important to our communities, featuring local and regional authors, artists, activists, musicians, and more.
