**PROGRAM & ISSUES
REPORT**

2023: Third Quarter

KWSU-TV since 1962

During Quarter 3 of 2023, special events took place in the community, reflected by the broadcast logs on the following pages.

Themes for Q3 were Patriotic in July, Back-to-School in August, and 9/11 and Hispanic-Heritage in September

- In July, the special *WE HOLD THESE TRUTHS: THE GLOBAL QUEST FOR LIBERTY* aired multiple times on KWSU to commemorate the 4th of July.
- NWPB partnered with *Crosscut Ideas Festival*, a regionally based news outlet, and broadcast their television episodes from the 2023 festival, the season concluded July 2nd.
- In September, several specials aired centering on the experience of Hispanic speakers during Hispanic Heritage month. Notably, an APT documentary *Empire Builders: Mexico*, which goes through the history of Mexico to present day. Also, there was a promo focus on PBS Kids' shows *Rosie's Rules*, *Alma's Way*, and interstitials featuring baseball legend Ted Williams, who was Hispanic, but hid his identity.
- Several programs and one interstitial aired on 9/11 to commemorate the day. The most powerful was *Generation 9/11*.
 - Producer's description: *Follow seven young people whose fathers died on 9/11. When they were born, the nation was drawn together. Twenty years later, in a divided America, they enter adulthood with a sense of responsibility that stems from their own personal tragedy.*

Programming produced by NWPB and aired in Q3:

- NWPB's partnership with NOVA, on topics of Wildfire and Salmon & Dams fulfilled the program's requirements and began airing in July, throughout Q3.
- The Juneteenth pageant in the Tri-Cities was filmed and debuted on-air in August, coinciding with back-to-school programming. This highlighted the pageant as a Scholarship competition, not a beauty competition and highlighted the diversity of the region.
- Badger Mountain is an annual ultra-marathon race in the Tri-Cities and is well known region-wide. The trail used has been changing over the years. The story covers the changing landscape and climate through the lens of a community of runners.
- There's a canoe race called the "Muckleshoot" that happens every year. Many tribes come together to share gifts and race their canoes. It was filmed in the Seattle area in August and was debuted on KWSU at the end of September.

Other local evergreen interstitials that are:

- *Access NW*, produced by NWPB, people, places, and history of the Northwest.
- *Of All Ages* is a new NWPB production about cross-generational talks and advice.
- *Hanford History*: stories produced by NWPB with the Hanford History Project about the Hanford Nuclear Site in Eastern WA.
- *Traverse Talks with Sueann Ramella*, produced by NWPB, the audio excerpts with graphics imposed cover a range of topics important to our communities, featuring local and regional authors, artists, activists, musicians, and more.

- *Dr. Universe*, a production of NWPB, airs with different questions from kids being answered by scientists and the cat, Dr. Universe.
- *Living Minute*: Relevant health, wellbeing, and science information for viewers.
- *Story Corps*: Engaging pieces to foster understanding.
