Hand sanitizer sales are up 37 percent over the last year, and millions of people use them multiple times a day. But are we relying on them too much??? CBS's Rick Dayton has more.

KRLD Midday News
4/4/18
10:52 am
2 minutes of 5 hour broadcast

Why does bad food always have to taste so good? It feels like a conspiracy, doesn't it. It's bad enough that we go to fast food restaurants. We won't find anything in them. That's the topic of the newest article in Men's Health magazine. The worst meals you can order at fast food restaurants. KRLD's David Rancken spoke with Paul Kita from Men's Health on the KRLD newslines...

ISSUE: Financial Literacy

KRLD Midday News
4/2/18
10:51 am
2 minutes of 5 hour broadcast

Overdraft fees are sky high and Americans may be getting déjà vu when they look at their checking account balances. Consumers paid a whopping \$34.3 billion in overdraft fees in 2017 — the most they've paid since 2009, during the end of the Great Recession, according to a new report from Moeb's Services, a research firm that focuses on financial institutions. KRLD's Mitch Carr has more with Maria Lamagna, from Marketwatch.
