MY NEWS AT 9PM "Nebraska News At 9" (Effective 3/8/17)	Monday thru Friday	9:00-9:30pm
--	--------------------	-------------

On NOLN.2/NGIN.2 - simulcast of KSNB. See KSNB's Issues Report for details.

All of the above programs are locally produced News programs presenting a mix of news, weather, sports and issue-related feature stories. Issue-responsive program segments are usually one to three minutes in duration unless otherwise indicated.

Webchannel: Nebraskans have a place on the Internet to go for local news and information. As more people turn to the Internet on a daily basis, people can count on KOLN/KGIN-TV (1011Now.com) to be the local news and information leader on the web. KOLN/KGIN-TV's website is an important source of local news stories of all kinds, community information, public service, and other internet resources. 1011Now.com's home page offers links to topics, which include news, weather, sports, health, family, education, government and community. It also includes up-to-the minute video streaming of news stories, weather forecasts and includes

special features such as [Live Streaming and Live Chat] watching live press conferences through web streaming. While stories are continually posted and eventually drop off of the top 30 or so visually displayed, they never actually leave the Webchannel Feature server making these accessible for viewers to conduct a search to retrieve each of these in the future. Video segments stay within the server approximately 1-2 days.

Regular Network News Programs Carried by 10-11:

CBS UP TO THE MINUTE 1:30-4:30am		Sunday -Thursday	
CBS MORNING NEWS 5:00am		Sunday - Thursday	4:30-
CBS THIS MORNING Friday 7:00-9:00am		Monday thru

FACE THE NATION Sundays	9:30am		
CBS EVENING NEWS SUNDAY Sundays	5-5:30pm		
60 MINUTES Sundays	6:00pm		

All of the above programs are network news programs presenting a mix of news, weather, sports and issue-related Feature stories. **60 Minutes** airs on Sundays in prime time in a news magazine format with in-depth Features on current issues and news headlines.

All 10-11 Newscasts are closed captioned for the hearing impaired. Closed captioning began on 10-11 Newscasts in January 1991. Station conducts all weekly random EAS tests as well as monthly scheduled test in preparation of needed emergency announcements.

ALCOHOL & DRUGS

“Healthy Everyday” (On-Going Series)

10-11 News - First News, News at Noon, Today at 5, - Daily

Including: Webchannel Feature

Healthy Everyday is an ongoing new series giving daily reports on the latest in medical advancement and studies. These reports include health information and drug and alcohol related problems from national, international and local studies, reports, reputed organizations and the government and covers issues targeting several demographics: from women, to the elderly, youth and minority groups.

“Healthy Family Interviews” (On-Going Series)

10-11 News - News at Noon - Every Tuesday

Doctors from Lincoln Family Medical Group talk about a new family health topic. Doctors often give tips to prevent or identify common family health problems and topics that are relevant to the season of “what’s going around” that week.

AG On Opioid Abuse (2/13/17 6pm :53)

The dangers of opioid abuse and stopping it before it becomes a major public health crisis in Nebraska. There is a new advertising campaign aimed at raising awareness.

Marijuana & Teens (2/27/17 10pm :47)

The nation's pediatricians are beefing up their warning about teenagers and marijuana use. As more states legalize the drug for adult use, more teenagers think it is safe.

Medical Marijuana (3/15/17 10pm 1:42)

The battle to legalize medical marijuana returns to the capital. Proponents say the bill calls for the proper regulations. Opponents say it is still not FDA regulated.

ANIMAL CONTROL & WELFARE/ PET HEALTH & LAWS

"Take Me Home" (On-Going Series)

10-11 News - News At Noon - Every Thursday

Including: Webchannel Feature

Bob Downey of the Capital Humane Society introduces a pet (usually a dog or a cat) to viewers in hopes of finding it a home. At the same time, Downey educates pet owners about spaying and neutering their pets, pet dental care, holiday pet safety and other useful topics.

Icy Zoo (1/16/17 5am :52)

While the icy weather may cause schools to close and businesses to shut down there is no break for the Lincoln Children's Zoo. All of the animals that need to be put inside are but there are some that prefer to be out in the conditions. Zoo keepers do their best to make sure the animals are safe.

Spay/Neuter Month (1/27/17 9pm :50)

Local vets are urging you to get your fuzzy friend fixed, if you haven't already. There are several benefits to having a pet spayed or neutered including no unwanted litters and even a better chance of your pet avoiding cancer.

Prairie Dogs (2/15/17 9pm :25)

Senator Chambers is trying to protect prairie dogs in our state. He is trying to repeal a law that allows county officials to kill black tailed prairie dogs on private property. These animals are native to Nebraska.

National Pets Day (2/20/17 4pm :30)

Pet ownership can boost your health and your social life. Research suggest that people with pets tend to be more active than their pet free counterparts.

Dogs Seized In Merrick Co. (3/24/17 9pm :34)

Three people are behind bars after what the Sheriff calls severe animal neglect. Authorities seized twenty-ne dogs that were severely abused, neglected and in desperate need of care.

CONSUMER INFORMATION AND PROTECTION

"Crime Stoppers" (On-Going Series)

10-11 News - First News -Wed's, News at 6p - Friday's

Including: Webchannel Feature

This report, is developed with information from local police departments, provides viewers advice on how to stay safe, warns of potential *scams* and gives descriptions and details of unsolved crimes. The idea is to involve the public's knowledge in order to put criminals behind bars. Viewers are encouraged to report information regarding crimes in their area to anonymous "Crime Stoppers" hotline. On Wednesdays, police officers visit 10/11 "This Morning" Show to follow-up on crimes reported the week prior.

"On the Money" (On-going Series)

10-11 News - Today at Five

Including: Webchannel Feature

Special consumer and money information keeps viewers "On the Money". This segment features tips and advice from financial experts as well as market reports and investing news.

Black Hills Scam (1/3/17 10pm :25)

A scam warning for Black Hills Energy customers. The company says someone reported getting a call from a toll-free Black Hills customer service number with a message telling the customer to call another number to get a gift.

Aldi Closed (1/28/17 6pm :45)

The Aldi remains closed to shoppers after paint fumes forced the grocery store to close. If you bought food at the store Friday morning, you should not eat anything directly exposed and return it to Aldi for a refund.

Dealing With Scams (2/22/17 6pm 1:00)

The U.S. Marshals Service is warning you about a scam involving someone posing as a Marshal. Another scam to watch out for during tax season is people posing as the IRS.

Home Insurance (3/18/17 10pm 1:41)

In the aftermath of last year's storm damage, what is going to happen to your home insurance rates? Five separate insurance companies agree that insurance rates in Lincoln could increase 5 to 15 percent.

CRIME AND PERSONAL SAFETY

"Crime Stoppers" (On-Going Series)

10-11 News - First News-Wed's, News at 6p - Fridays

Including: Webchannel Feature

This report, is developed with information from local police departments, provides viewers advice on how to stay safe, warns of potential *scams* and gives descriptions and details of unsolved crimes. The idea is to involve the public's knowledge in order to put criminals behind bars. Viewers are encouraged to report information regarding crimes in their area to anonymous "Crime Stoppers" hotline. On Wednesdays, police officers visit 10/11 "This Morning" Show to follow-up on crimes reported the week prior.

Smoke Alarms (1/26/17 6pm 2:25)

We all know smoke detectors can save lives. Is yours working? Do you even have one? Two early morning house fires are re-emphasizing their critical impact.

Federal Indictment ATM (2/1/17 10pm :45)

An eleven month investigation involving burglaries and ATM's from Lincoln to Omaha culminate with a federal raid. Eight people were arrested and police say they are responsible for ATM burglaries in Nebraska and five other states.

Gun Thefts (2/6/17 6pm 2:06)

Do you have any idea of how many stolen guns there are out there? We checked it out. Wait till you see the numbers.

Trail Awareness (2/8/17 6pm 2:00)

Police are warning people who use the Mopac Trail in Lincoln to stay alert and avoid using the trail at night. The warning comes after two separate cases of indecent exposure while women were jogging in the early evening hours.

BBB Scam Warning (2/8/17 1:10 6pm)

The Better Business Bureau is warning you about a phone scam dubbed "Can You Hear Me?" It is believed to be a variation of an old scam that targeted businesses.

Emergency Alerts (2/16/17 6pm 2:05)

When there is an emergency in your community keeping your family safe is the top priority. New technology is helping people in three Southeast Nebraska counties stay informed and prepared.

DIVERSITY/COMMUNITY INCLUSION

Our Town Series (On-Going Series)

30 minute Quarterly special, with segments aired throughout the week leading up to the Special

Including: Webchannel Features

Week of: 2/13/17, Special aired on 2/18/17 at 630p on 10/11 and 2/19/17 at 10:30p on METV.

Our Town is a quarterly project produced by 10/11 including a 30 minute special. The Our Town project focuses on a different community each quarterly highlighting the people, history, present and future of that community. Stories include a look at the government, education, industry, business and agricultural impact, and unique attractions and diverse people, and why each community in Nebraska is special to the state of Nebraska.

"Lance's Journal" (On-going Series)

10-11 News at 6p, Mon's & Wed's

Reporter: Lance Schwartz

Lance Schwartz travels around the State of Nebraska searching for unique and interesting people, places and events. The stories range from touching and emotional to the fun and playful. Each "Journal" entry gives viewers a slice of the Good Life in Nebraska.

"The Best Of Lance's Journal"

Duration: 30 Minutes

January 1

This special recaptures a variety of news stories by Special Projects Producer Lance Schwartz. He looks back and features a variety of Lance's Journals that have aired on 10/11 since 2004.

Protests At Capitol (1/29/17 10pm 1:25)

People gathered on the steps of the Nebraska capitol to show unity. What started off small in numbers quickly grew to over 500 protesters against President Trump's ban on refugees and travelers from seven countries.

G.I. Immigration Rally (2/4/17 10pm 1:55)

At an immigration rally in Central Nebraska crowds were smaller and calmer. Instead of harsh words they spoke of wanting to be a welcoming place and to show solidarity towards immigrants and refugees.

Sensory Dance (2/10/17 10pm 2:05)

A special once a year dance. A sensory friendly Valentine's Day dance. Sensory friendly is a way to help those with different abilities cope ... such as quieter music and using less strobe lights.

Light The Way (2/20/17 6pm 1:10)

A show of support to help light the way. Vigils are planned across the country and Nebraska to show support for immigrants and refugees.

Yazidi Community (3/3/17 10pm 2:28)

The Yazidi community represents a group of people who are driven from their homes after religious persecution and the population in Lincoln is one of the largest in the U.S. A new cultural center opened up to help keep their traditions alive.

LGBT Capital Rally (3/12/17 10pm 1:59)

The nationwide controversy over what bathroom to use or not use depending on your gender. It came to Lincoln today. Will it make any difference?

Project Search (3/27/17 6pm 2:27)

On the job hunt. People with special needs hoping to land employment. The Project Search job fair helped them go face to face with prospective employers.

ECONOMICS/EMPLOYMENT/DEVELOPMENT

"On the Money" (On-going Series)

10-11 News - Today at Five

Including: Webchannel Feature

Special consumer and money information keeps viewers "On the Money". This segment features tips and advice from financial experts as well as market reports and investing news.

Our Town Series (On-going Series)

30 minute Quarterly special, with segments aired throughout the week leading up to the Special

Including: Webchannel Features

Week of: 2/13/17, Special aired on 2/18/17 at 630p on 10/11 and 2/19/17 at 10:30p on METV.

Our Town is a quarterly project produced by 10/11 including a 30 minute special. The Our Town project focuses on a different community each quarterly highlighting the people, history, present and future of that community. Stories include a look at the government, education, industry, business and agricultural impact, and unique attractions and diverse people, and why each community in Nebraska is special to the state of Nebraska.

Pure Nebraska (On-Going Series)**60 minute daily program, 30 minute weekly program, and weekly segment****Tuesdays at Noon, 4p and/or 5p****Including Webchannel Features**

Pure Nebraska is a program focused on the states #1 industry and lifestyle: Agriculture. Host Jon Vanderford tours the state interviewing those who live, work and legislate the business of agriculture, including farmers, ranchers, businessman and lawmakers. There is also a focused look at how the weather will affect the Agriculture of Nebraska and the region in the coming weeks and months.

Moms Everyday Minute (On-Going Series)**1011 News - First News Mondays****Reporter: Melanie Bloom****Including Webchannel Features**

Moms Everyday Minute is a weekly series of packages and VO/SOTs that focuses on helping people maintain control of their lives. It gives advice on managing finances, health, education and organization.

P Street Development (1/10/17 6pm 2:08)

A local business along with a community organization is breathing life into a blighted area. New development along P Street in Lincoln will not be slowing down anytime soon.

The Kindler Hotel (1/10/17 10pm 2:37)

"A place that is representative of Nebraska, but, has a touch of L.A. and some of the big city elements." That is the goal of a new hotel planned for downtown Lincoln. It will be comparable to a Ritz Carlton or Four Seasons.

Low Wheat Prices (1/11/17 9pm :50)

Uncertainty is looming over Nebraska's number one industry, especially when it comes to farmers. Wheat prices are a record lows for the second year in a row.

HUDL Headquarters (1/12/17 10pm 2:15)

HUDL is a sports software company that started in Lincoln and does business all across the world. They want to continue to call Lincoln home and are investing in a 35 million dollar building in the Haymarket for their headquarters.

Amtrak Jobs (1/20/17 10pm :20)

Amtrak announces they are relocating employees from their Denver operation to Lincoln. Amtrak is bolstering its operation in the state.

Grocery Store Downtown (2/7/17 5pm 1:36)

For many living in the downtown area, grocery shopping can be an inconvenience. With a lack of full scale grocery stores many are forced to drive a distance, but, that may soon change.

Housing Needs (2/8/17 10pm :47)

Lincoln's population is growing each year and more people means a need for more housing. To meet the demand about 1500 new units are needed each year. Revitalization is one way to make it happen.

Mexico/Corn (2/14/17 5pm :56)

Mexico and the U.S. rocky relationship may get even more complicated after the country is threatening to ban buying U.S. corn. That could have a big impact on farmers here in the Cornhusker state.

Housing Problems (2/15/17 10pm 2:16)

It seems like every time you turnaround there is new construction or apartments being built. Most of these places are for students or you professionals. The Executive Director of the Housing Authority said that there simply is not enough affordable housing in Lincoln.

Lutheran Services (2/18/17 10pm 1:45)

Two Nebraska refugee resettlement agencies are cutting staff positions in the wake of President Trump's executive order restricting refugees. Lutheran Family Services will eliminate fifteen jobs.

Cotner Blighted Area (2/28/17 6pm 1:20)

The North Cotner area may soon see a new view as developers begin the process of gaining city approval to build in the area.

SW LNK Development (3/1/17 10pm 1:50)

There is a plan in place to add 162 homes in south Lincoln. Aspen Builders got approval from the City Council to start the project.

Innovation Campus (3/8/17 6pm 1:55)

Soon you will be able to enjoy beer, wine and even live music at Nebraska's Innovation Campus. The owners of The Mill Coffee and Bistro announced the home to their third location.

State Basketball & Biz (3/10/17 10pm :54)

Thousands of people from around the state flooded Lincoln for the state basketball tournaments. Local business has been booming.

Hiring Millennials (3/23/17 10pm 2:31)

It is no secret Lincoln is growing but one specific age group is not growing at the same rate as everyone else. That is 20 to 29 year olds. The city fears these millennials are graduating and moving to other cities and that is a problem for some local businesses.

Farmland Values Down (3/24/17 5pm :55)

A land market report shows a ten percent decrease in the state's average farmland value over the past year. The drop marks the third consecutive year the states average farmland price has declined.

EDUCATION**Our Town Series (On-Going Series)**

Moms Everyday Minute (On-Going Series)

1011 News - First News Mondays

Reporter: Melanie Bloom

Including Webchannel Features

Moms Everyday Minute is a weekly series of packages and VO/SOTs that focuses on helping people maintain control of their lives. It gives advice on managing finances, health, education and organization.

Lincoln Public School Portables (1/11/17 10pm 2:37)

Why are some students learning in portables? Is this the best way to learn? In Lincoln some schools are forced to use portable classrooms to make sure class sizes do not get out of control.

School Choice (1/26/17 10pm 2:35)

School Choice advocates are urging Nebraska lawmakers to approve a bill regarding a tax credit. If it passes, it would reimburse donors for every dollar they give to scholarship funds to send students to private schools.

UNL Tuition Increase (1/27/17 10pm 2:05)

The State's budget deficit could soon pack a punch for UNL students. The University is facing a budget gap which could lead to a rise in tuition prices.

School Force Bill (2/7/17 10pm 2:23)

Classroom safety and disruptive students. Should physical force be allowed in schools? One bill would allow Nebraska teachers to physically restrain disruptive students. Is that a good idea?

Irving Middle School (2/26/17 10pm 1:45)

After a year and a half of construction the renovations are done at Irving Middle School. From the outside the school still looks like the 90 year-old classic building, but, on the inside it is new and improved.

IRS Tool (3/19/17 10pm 1:10)

For high school seniors going to college in the fall the deadline to apply for financial aid through the FAFSA is April 1st. But, if you have waited until now to do so, the process will likely be more difficult.

LPS 10 Year Plan (3/21/17 10pm 2:04)

Lincoln is growing faster than ever and on top of countless renovations at least seven new schools could be needed over the next decade. Significant renovations are also needed to at least 26 other schools in the district.

ENVIRONMENT/NATURAL DISASTER/WEATHER

Pure Nebraska (On-Going Series)

60 minute daily program, 30 minute weekly program, and weekly segment

Tuesdays at Noon, 4p and/or 5p

Including Webchannel Features

Pure Nebraska is a program focused on the states #1 industry and lifestyle: Agriculture. Host Jon Vanderford tours the state interviewing those who live, work and legislate the business of agriculture, including farmers, ranchers, businessman and lawmakers. There is also a focused look at how the weather will affect the Agriculture of Nebraska and the region in the coming weeks and months.

**Outdoor Report (On-Going Series)
10/11 News - First News Thursdays**

The Outdoor Report includes packages and in-studio interviews with the Nebraska Game and Parks Dept. Topic discussed include seasonal tips, events, recreational options, state park locations and details, and environmental preservation and conservation.

Weather (1/4/17 10pm 1:45)

As the snow falls in the Capital City, twenty public works crews are out with another twenty-four on standby. Main streets are in good condition but residential streets are snow covered and slick.

Ice Storm (1/13/17 10pm 1:15)

A significant winter storm continues to take aim at the region. The development of freezing rain and sleet will create hazardous and perhaps even dangerous travel with tree limbs and power lines in peril.

Stocking Up On Groceries (1/13/17 10pm 1:28)

All over Lincoln people are stocking up for the potential storm. Hundreds are preparing for a few days stuck inside and that means grabbing all the necessities.

Ice Storm (1/14/17 10pm 1:26)

A quiet day in the Capital City but tomorrow's weather could pack a punch. We have issued a Weather Alert Day as an ice storm is expected to make its way here. The NWS has issued an ice storm warning.

Salt On The Roads (1/16/17 10pm 2:07)

The fight against the ice. City crews have literally dumped tons of salt to keep the roads drivable. That leaves water and the chance for it to refreeze as the temperatures drop.

Recycling In Lincoln (1/20/17 6pm :50)

After months of contentious debate, the Mayor and City Council compromise on the proposed city recycling plan.

City Council Recycling (1/30/17 10pm 1:38))

Starting next year people in Lincoln will no longer be able to throw corrugated cardboard away in the trash. It will be banned from the landfill in an effort to get more people to recycle.

Weather Means Business (2/19/17 10pm 1:45)

The unexpected weather bringing unexpected opportunities. With the stretch of warm temperatures some businesses are cashing in.

Winter & Plants (2/22/17 10pm 2:03)

You may be loving these record breaking temperatures but it might be hurting the Ag economy. It could mean spending more at the grocery store.

Weather (2/23/17 10pm 1:07)

This February weather is something else. Aside from snow, Lincoln also saw thunderstorms and hail falling so fast it covered the ground.

Weather/Road Conditions (2/24/17 10pm 1:35)

If you do plan on heading out tonight or tomorrow morning, Nebraska Department of Roads are urging drivers to be cautious and watch for slick areas and sidewalks as you get to your destination.

High Winds (3/6/17 6pm 1:38)

Windy and dry conditions are causing a red flag warning to be put in place in Lancaster and surrounding counties. Lincoln Fire & Rescue says until we get a significant amount of rain expect the conditions to remain the same for the coming days.

FAMILY

“Healthy Everyday” (On-going Series)

10-11 News - First News, News at Noon, Today at 5 - Daily

Winter Weather (1/5/17 9pm :50)

With the dangerously cold temperatures doctors want to remind you to take care of yourself. Hypothermia is a serious condition that can be the result of being outside too long.

Peanut Allergies For Babies (1/5/17 10pm :50)

It is a complete shift in trying to reduce peanut allergies in the U.S. A new guideline says kids should start eating food with peanuts when they are infants.

Lewy Body Dementia (1/9/17 6pm 1:30)

More than a million people in the U.S. have Lewy Body Dementia. There is now a new drug being tested and doctors in Lincoln are looking for people to take part in clinical research.

HPV Vaccinations (1/11/17 9pm :46)

As HPV associated cancers continue to rise nationally, preventative vaccines continues to be under used. This is why doctors think parents should get their child’s HPV vaccinations done to help prevent cancer.

Flu Increase (1/24/17 10pm 2:00)

A spike in the flu numbers is hitting people hard and keeping Lincoln urgent cares busy. Nebraska has seen the number of positive cases for Influenza A jump in the past ten days.

Esophagus Patient (1/31/17 10pm 2:27)

When Terri Hicken learned she had a tumor in her esophagus it was easy to think the worst. An invasive removal surgery could have made swallowing difficult and limited her diet. A

new procedure at Nebraska Medicine has allowed Terri to live life to the fullest ... as she always has.

Children's Expansion (2/1/17 5pm 2:07)

Many families in Nebraska drive to Children's Hospital and Medical Center in Omaha for treatment. A new facility will allow those families to get the same care right here in Lincoln.

Bio Tech Partnership (3/5/17 10pm :56)

Making vaccines stronger to better protect you and your family from disease. Did you know that ambitious effort is taking place right here in Lincoln at Innovation Campus?

ACA To AHA Local (3/7/17 10pm 2:00)

The newly proposed American healthcare Act would no doubt bring big changes around the country. Leaving partisan politics aside we find out how it might impact those living in poverty in Nebraska.

Community Action/Healthcare (3/14/17 10pm 2:03)

We have heard healthcare is a big issue for Nebraskans and a new study backs that up. Community Action of Nebraska heard from over 2500 people who live from Omaha to Scottsbluff and in between.

CHI Health Issues (3/17/17 10pm 1:15)

Thousands of women will be impacted by changes coming to CHI Health clinics in Lincoln. Integrated Women's Health will close in the next three months. In the next six months Physicians For Women will make a transition into a private clinic.

Measles Case (3/23/17 5pm :40)

A health alert! For the first time in two years the DHHS is reporting a case of the measles in southeast Nebraska.

LOCAL SPORTS & OTHER EVENTS OF IMPORTANCE

"Lance's Journal" (On-going Series)
