10/2/16	Around & About Buzz Wachstetter, a member of the Exchange Club and Coosa Valley Fair Association came to talk about the fair being in full swing the week of the 3 rd thru the 8 th of October, 2016. Buzz gave a schedule of the special events each day and explained that the funds raised from Fall's finest festival is used to support the Exchange Club's Family Resource Center which is celebrating 25 years of service.	6:00am	23:50
10/9/16	Around & About Susan Locklear, Manager and Director of the Summerville Mainstreet Project came to talk about the special events coming up this month. "Steam into Summerville Railroad Days" are exciting times for people and visitors near and far. This will include the Tennessee Valley Railroad Museum's antique steam engines and passenger train arrivals. There will be special events each week of October including town markets, train rides, and many things for the entire family to enjoy. The Trains and Track Expo will run Oct. 29th-30 th .	6:00am	23:50
10/16/16	Around & About The month of October is celebrated as National Clergy Appreciation Month. Willie Mae Samuel, Reverend E.H. Young (pastor of Thankful Baptist Church in Rome, Ga.) and Solita Burley a member of the church came to talk about their church and how they are involving themselves in the community and as a worship group, displaying kindness and the show of love and concern for their community. Reverend Young sees the need for mentoring our youth and also cares about the family unit. Ms. Samuels is a writer of many plays and productions that including the youth and adults in her church and surrounding areas. Ms. Samuels stressed the importance of showing appreciation to your minister during this month of Clergy Appreciation.	6:00am	23:50
10/23/16	Around & About Forrest fires are the dreaded results of lightning strikes, careless handling of camp fires, and tossing cigarettes out the car window. Among these things are so many tragedies for forest lands, homes and businesses. Mark Wiles and Beryl Budd, Wildfire Prevention Specialists, came to talk about fire safety and prevention. They talked about the dangers of fighting fires and the obstacles that confront them with every major event. We as the general public are urged to follow laws and protect out woodlands and our homes by obeying the Smokey bear slogan, "Only you can prevent forest fires."	6:00am	23:50
10/30/16	Around & About Reaching teens and parents with safe driving for life is the theme for the police training for teen drivers. Teen Vehicle Operations Course (TVOC), sponsored by the Rome Police Department, will provide classroom instruction and practical driver training for young drivers on November 22-23. Information Officer, Woodrow Gaines, along with Danny Story and Lt. Chris DeHart of the Rome Police Department talked about the importance of young drivers learning the basics, and then having a more in-depth driving experience dealing with quick decisions and quick reaction. The cost is \$125.00. The website is www.fearthis4life.org .	6:00am	23:50
11/6/16	Around & About The new Medicare & You book is out for 2017, and seems to be difficult to understand especially for the elderly. Betty Schaaf and Karen Nelson from Area Agency on Aging for Northwest talked about the deadline to either stay with or change to another Part D drug insurance company. Seniors can change their supplemental insurance anytime, but have to choose either stay with the one they have or change their Part D by December 7, 2016. AAA can help seniors find the right insurance company at no charge by calling 1-866-552-4464.	6:00am	23:50

Date Aired	Program	Air Time	Duration
11/13/16	Around & About Redmond Regional Medical Center is screening people for lung cancer with their new equipment and urges anyone who has ever smoked to get screened. This only takes a few moments and you can be relieved of your doubts and fears of having lung cancer. They now have a way of detecting lung cancer at an early stage and can operate to achieve a complete cure. For appointments call 706-291-0291.	6:00am	23:50
11/20/16	Around & About Summerville, Georgia is in Chattooga County and folks are gearing up for the month of November and December for their Railroad Days and the Santa Special. Susan Locklear, Director of the Summerville Main Street Project discussed the activities and the 75-minute round train trip with Santa and his elves. Summerville has opened its doors to people from all over the world wanting to see the only Round About in service in the United States. This mechanism turns the train around and sends it back from where it came. This is a fun ride with Santa and his elves, and food is served as well. Tickets are \$18 for ages 2 and up. For info call 423-894-8028.	6:00am	23:50
11/27/16	Around & About Salvation Army serves the needy 365 days of the year, and is over one hundred years old. Everyone has come to expect the bell ringers during the Christmas season, with their red kettles and hand bells chiming in the holidays with pleas of donations to help those in need. Captain Jason Smith came to talk about the Can-A-Thon that happens every year canned food is collected from the public and from all the schools. Over 62,000 cans were collected in 2015. The donations help to offer breakfast and dinner to a lot of people in need and the homeless.	6:00am	11:00
11/27/16	Around & About Rome Action Ministries is one of the most powerful and needed organizations in Georgia. Dawn Hayes, Feeding Rome Coordinator, says they buy food for 16 cents a lb. and can supply many organizations with canned food and meat. Their outreach includes local churches, homeless shelters, food banks and other organizations that feed the hungry. Reach them online at http://actionministries.net/locations/rome	6:11am	12:50
12/11/16	Around & About The Habitat for Humanity ReStore is moving across town and they want volunteers to help with everything that can be moved or sold. The restore helps to offset expenses when the homebuilding is going on. The tentative grand opening will be January 14 th 2017. Reach them at 706-378-0030 or www.habitatcoosavalley.org	6:00am	23:50
12/18/16	Around & About Keith Mickler, County Agent with the University of Georgia came to talk about the drought and what could happen to our trees and shrubs. The need for more rain to raise the water level in our lakes has left us with a terrible deficit. Mickler stated that the odds were we won't make up the loss unless we have lots of rain and then there is the threat of flooding. The weather has been a conundrum for years.	6:00am	23:50
12/25/16	Around & About Barbara Davis with Ministries of Love, and Millie Kim, Minister at Second Avenue United Methodist Church discussed the true meaning of Christmas. Millie is from Korea and told of how she became a Christian. Barbara told of the meaning of the tree and what it represented, the decorations and the symbolisms of Christmas. The Christmas prayer was read and each had a moment of what was wished for in the next year.	6:00am	23:50
