This episode featured highlights of a concert by pianist, **Hyun-Woo Jade Jung**, in honor of Korean War Remembrance Day. He also spoke about the major events of the war and how it has affected the Korean people.

Beyond word of mouth, general press coverage, or standard marketing and promotion, KMFA and therefore programs like Classical Austin and Staccato address issues of “cultural vitality,” “arts community viability,” and “education,” by dedicating significant airtime to conversations and performance around key cultural activities. Regardless of size or budget, KMFA offers these organizations opportunities not otherwise readily available. These unique opportunities serve to enlighten a diverse audience within a broad region all the while deepening their relationship with these organizations.
