

2012 Fourth Quarter Report and Community Issues

The following issues were identified in the Summit County Quality of Life Project conducted by the United Way of Summit County, the Akron Community Foundation and The University of Akron as part of the Thriving Community Needs and Assessment Study. Interviews of 183 individual “key informants” as well as 40 in-person interviews of county residents were conducted by the Federation for Community Planning.

Among some of the major findings were:

- ✓ The State of the Economy
- ✓ Scale of Summit County Demographics
- ✓ Politics
- ✓ Human Services
- ✓ Crime
- ✓ Children
- ✓ Education
- ✓ Overall performance of Akron schools

WAKR-WONE-WQMX concentrated programs on the following ten issues for this quarter:

1. The Economy
2. Education
3. Children’s Services
4. Political Leadership
5. Crime and Personal Safety
6. Health Care
7. Race, Religion and Diversity
8. Transportation
9. Social Service Agencies
10. General Health & Wellness

“ABC Perspective” is the weekly public affairs news and issues program from ABC News. WAKR airs this program on Sunday evenings at 6:00 p.m. Except when preempted by sports.

1. *Economy*

WAKR is an affiliate of the Westwood One/Wall Street Journal network and airs hourly “Dow Jones Money Report” business updates Monday-Saturday. WAKR partners with Richard Peterson, president of Capital Financial Group, to present “Money Talks” airing Saturdays 7:00am-8:00am with topical news, interviews, and call-in advice on issues relating to personal economics. Each program contains a total of approximately 40 minutes of economic content in six segment blocks.

2. *Education*

WAKR provides coverage of local high school sports; the station also highlights accomplishments of local student-athletes through regular features such as the WAKR Student Athlete (heard each Friday morning during the school year) and The Local Loop (also heard each Friday morning during the school year) where interviews are held with local school news-makers each Friday during the school year. WAKR also commits to regular interviews with local educators and the Akron-Summit County Library to discuss education outreach and programs.

3. *Children's Services Issues*

4. *Political Leadership*

WAKR is an affiliate of the ABC News Radio network and occasional airs extended coverage of topical news and public affairs events. Air times and length varies. Coverage included LIVE network coverage of presidential addresses, broadcast and web streaming of the State of the Union address; State of the State address; Akron & Cleveland State of the City addresses; Akron State of the Schools address and Cuyahoga & Summit State of the County addresses. Coverage also included the 2012 Ohio primary and the 2012 General Election with extensive live and in-depth reporting, as well as other key political campaign primaries across the nation. We also provided live wall-to-wall coverage of the November 6 election from 7:00 p.m. Until 12:00 a.m.

5. *Crime and Personal Safety*

6. *Health Care*

7. *Race, Religion & Diversity*

As part of our overall program outreach, WAKR airs programs originating from the Furnace Street Mission, Grace Baptist Church and the First United Methodist Church of Akron each Sunday. In addition, Temple Israel of Akron provides broadcast access during the year of Rosh Hashanah and Yom Kippur services. These programs air from 30 minutes to 90 minutes. Coverage also included Christmas Eve services of the Christian faith.

8. *Transportation*

WAKR-WONE-WQMX provide weekday traffic and road construction updates each during morning and afternoon drive periods.

9. *Social Services Agencies*

Akron Bar Association legal information and assistance. The WAKR Ray Horner Morning Show (each segment approximately 4:00 in length) includes appearances by attorneys as part of the Akron Bar Association's outreach program.

WAKR also provides weekly program segments featuring local veterinarian Dr. Gary Riggs and One of a Kind Animal Shelter as a public service in the interest of encouraging responsible management and ownership of pets. WQMX provides program segments featuring One of a Kind Animal Shelter as a public service, and WONE provides program segments with the Akron-Summit Humane Society encouraging responsible pet adoption.

RCRG Public Service Announcements

AkronNewsNow You Need To Know is a :60 prerecorded public service announcement airing on an ROS (run of station) basis on 1590 WAKR and 97.5 WONE. A listing of the "Need To Know" topics covered in the Quarter are appended at the bottom of this report.

In addition, material may also be included on web pages profiling community events on www.akronnewsnow.com, www.wakr.net, www.wone.net and www.wqmx.com for viewing by internet users.

Community and public service participation by local air personalities and the radio station as well announcements are administered by Rubber City Radio Group Marketing and Promotions Department.

RCRG Community Outreach

As part of our continued community outreach, RCRG works in partnership with various community groups to both raise funds and help operations of non-profit charitable groups and profile worthwhile community events. Among the initiatives for this quarter:

WAKR

- | | |
|------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Need to Know Vignettes

Hard hits can last a lifetime but it's not just the NFL where the danger exists for brain-related concussive injuries. Doctors say new research confirms the link to a lifetime of cognitive disorders. There are healthy alternatives to end-of-the school day snacking by students. Nutritionists say whole grain cereal, nuts, even turkey or chicken snacks can stave off hunger pangs until dinnertime.

Whooping cough vaccine protection may be short-lived, and pediatricians now recommend a booster shot after aged 8-11 as early vaccinations wear off.

Early puberty is hitting it's own growth stride, according to a new study from the journal Pediatrics.

Organic versus Pesticides? The latest research indicates the use of pesticides really doesn't hamper nutritional value.

Breast Cancer Awareness should be more than just October's general call; year-round awareness, especially within the family groups with a history of breast cancer, is a must.
