

FRI 9/30/16 MIN MAG: CANAL CLEANUP MEETING

FOR MINUTE MAGAZINE, I'M EZRA MARCUS.  
THE BOARD OF COUNTY COMMISSIONERS HAS  
SCHEDULED A SPECIAL MEETING TO EXPLORE  
THE FUTURE OF THE COUNTY'S MOST POLLUTED  
CANALS.

COMMISSIONERS WANT TO DISCUSS THE IDEA  
OF IMPLEMENTING A STORM-WATER UTILITY  
ASSESSMENT.

THE FEE WOULD HELP COVER THE 300-MILLION  
DOLLAR PRICE-TAG TO CLEAN UP THE MORE THAN  
200 CANALS CURRENTLY IDENTIFIED AS EITHER  
'POOR' OR 'FAIR'.

MONROE COUNTY SUSTAINABILITY MANAGER  
RHONDA HAAG SAYS THE COUNTY DOES NOT  
EXPECT TO RAISE ALL THAT MONEY AT ONCE...
