

MON 5/16/16 MIN MAG: TURTLE NESTING

FOR MINUTE MAGAZINE, I'M EZRA MARCUS.
IT'S TURTLE-NESTING SEASON AGAIN IN THE
FLORIDA KEYS.

LOGGER-HEAD AND GREEN SEA-TURTLES HAVE
ALREADY BEGUN TO ARRIVE ON KEYS BEACHES.

SAVE-A-TURTLE WILL HAVE MORE THAN

A HUNDRED VOLUNTEERS LOOKING OUT

FOR NESTS AND EDUCATING THE PUBLIC.

MOTHER TURTLES CAN LAY UP TO A HUNDRED

EGGS, AND HATCHLINGS HAVE TO MAKE IT

TO THE SEA ON THEIR OWN TO SURVIVE.

THEY LOOK FOR THE MOONLIGHT ON THE WATER

TO HELP GUIDE THE WAY.

RESIDENTS AND VISITORS ALONG THE BEACH ARE

ASKED TO KEEP THEIR LIGHTS TURNED OFF...

OR TO USE TURTLE-FRIENDLY LIGHTING.

SAVE-A-TURTLE PRESIDENT HARRY APPEL HAS
